99 Musings of a Dogeared Pilgrim John Cox, 2022-03-17 99 Musings is for men and women who desire to know God and follow Jesus with authenticity and integrity The first disciples were far from perfect and yet God called them loved them equipped them picked them up when they struggled and blessed them As was true for them so it is possible for us today The Musings seek to inspire encourage sometimes challenge and most importantly remind the reader of God's faithfulness even when circumstance don't make sense Written in contemporary language each Musing is relevant and easily applied to today's world This is not a book of spiritual idealism and abstraction but rather a work that tries to make sense of the teachings of Jesus the promises of God and the power of the Holy Spirit It is about a kind and loving God who is a Father He wants to walk alongside us in our lives with his presence and power He delights in us where we are and he is not interested in our being perfect trying harder keeping rules or performing His focus is on friendship and relationship from which all else flows and that is the heart of these Musings

*The Power of Witnessing* Nancy R. Goodman, Marilyn B. Meyers, 2012-08-21 Witnessing comes in as many forms as the trauma that gives birth to it The Holocaust undeniably one of the greatest traumatic events in recent human history still resonates into the twenty first century The echoes that haunt those who survived continue to reach their children and others who did not share the experience directly In what ways is this massive trauma processed and understood both for survivors and future generations The answer as deftly illustrated by Nancy Goodman and Marilyn Meyers lies in the power of witnessing the act of acknowledging that trauma took place coupled with the desire to share that knowledge with others to build a space in which to reveal confront and symbolize it As the contributors to this book demonstrate testimonial writing and memoir artwork poetry documentary theater and even the simple recollection of a memory are ways that honor and serve as forms of witnessing Each chapter is a fusion of narrative and metaphor that exists as evidence of the living mind that emerges amid the dead spaces produced by mass trauma creating a revelatory transformational space for the terror of knowing and the possibility for affirmation of hope courage and endurance in the face of almost unspeakable evil Additionally the power of witnessing is extended from the Holocaust to contemporary instances of mass trauma and to psychoanalytic treatments proving its efficacy in the dyadic relationship of everyday practice for both patient and analyst The Holocaust is not an easy subject to approach but the intimate and personal stories included here add up to an act of witnessing in and of itself combining the past and the present and placing the trauma in the realm of knowing sharing and understanding Contributors Harriet Basseches Elsa Blum Bridget Conley Zilkic Paula Ellman Susan Elmendorf George Halasz Geoffrey Hartman Renee Hartman Elaine Neumann Kulp Shabad Dori
