### Skills

#### 1. Character Analysis

A **character** is an individual in a literary work of fiction, drama, or narrative poetry. Every work of fiction or drama needs characters. Characters' thoughts, feelings, actions, and reactions drive the **plot**, or the events that take place in the story. The **resolution** is the final outcome of the story's **conflict**. Writers use several techniques to develop characters and reveal aspects of their personality including **dialogue**, or conversation, description, and plot events.

- **Character Traits**- the personality; consists of the qualities that make that character different from others, such as whether the character is honest or devious.
- **Protagonist**- the main character; the one the story revolves around
- **Antagonist**- opposes the protagonist
