Bertera, Kim Crawford, 2010-10-01 This fascinating narrative tells the story of a remarkable regiment at the center of Civil War history. The real-life adventure emerges from accounts of scores of soldiers who served in the 4th Michigan Infantry, gleaned from their diaries, letters, and memoirs, the reports of their officers and commanders, the stories by journalists who covered them, and the recollections of the Confederates who fought against them. The book includes tales of life in camp, portraying the Michigan soldiers as everyday people recounting their practical jokes, illnesses, political views, personality conflicts, comradeship, and courage. The book also tells the true story of what happened to Colonel Harrison Jeffords and the 4th Michigan when the regiment marched into John Rose's wheat field on a sweltering early July evening at Gettysburg. Beyond the myths and romanticized newspaper stories, this account presents the historical evidence of Jeffords's heroic yet tragic hand-to-hand struggle for his regiment's U.S. flag **Engineering and Mining Journal**, 1901 **Piano and Organ Workers' Official Journal**, 1904 *EBOOK: Understanding Business, Global Edition* William Nickels, Jim McHugh, Susan McHugh, 2012-05-16 *Understanding Business, Global Edition* by Nickels, McHugh, and McHugh has been the number one textbook in the introduction to business market for several editions for three reasons: 1. The commitment and dedication of an author team that teaches this course and believes in the importance and power of this learning experience; 2. we listen to our customers; and 3. the quality of our supplements package. We consistently look to the experts—full-time faculty members, adjunct instructors, and of course students—to drive the decisions we make about the text itself and the ancillary package. Through focus groups, symposia, as well as extensive reviewing of both text and key ancillaries, we have heard the stories of more than 600 professors, and their insights and experiences are evident on every page of the revision and in every supplement. As teachers of the course and users of their own materials, the author team is dedicated to the principles of excellence in business education.
