Ming The Ming Realities One:

Lu Hsun's Vision of Reality William A Jr Lyell,2023-11-15 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1976 **Mao Zedong and Workers: The Labour Movement in Hunan Province, 1920-23** Lynda Shaffer,2017-09-29 This title was first published in 1982 Mao Zedong a man whose name has become inseparably linked with peasant revolution actually began his career as a Communist in an apparently orthodox way as an organizer of urban labor A study charting Maos background his influence in the beginnings of the labor movement a number of significant worker s strikes and conclusions *Beautiful CEO's Special Guard* Tian MaXingKong,2020-07-17 The king of this generation undid his armor and returned to the field becoming a beautiful CEO s bodyguard He had wanted to be a small bodyguard in peace but one beauty after another came rushing towards him Life had also changed dramatically **Reverie and Reality** Yanning Wang,2013-12-18 This is a study of Chinese gentry women s poems on the theme of travel written during the late imperial period ca 1600 1911 when Chinese women s literature and culture flourished as never before It challenges the clich d image of completely secluded and immobile women anxiously waiting inside their prescribed feminine space the so called inner quarters for the return of traveling husbands or other male kin The travel poems discussed in this book while not necessarily representative of all of the women writers of this period point to the fact that many of them longed to explore the world through travel as did so many of their male counterparts Sometimes they were able to actualize this desire for travel and sometimes they were forced to resort to imaginary armchair travel In either case women writers often used poetry as a means of recording their experiences or delineating their dreams of traveling outside the inner quarters and indeed sometimes far away from the inner quarters With its promise of adventure and fulfillment and above all a broadening of one s intellectual and emotional horizons travel was an important and until now understudied theme of late imperial women s poetry *Aware of the Ultimate Reality* J. Morris,2019-08-03 *Aware of the Ultimate Reality* by J R Morris *The Mingjia & Related Texts* ,2020-03-15 **ESSENTIALS IN THE UNDERSTANDING OF THE DEVELOPMENT OF PRE QIN PHILOSOPHY** The Mingjia School of Names is a notional grouping of philosophers first recorded as such in the Shiji Their identifying feature was a concern with linguistic issues particularly involving the correct use of names The origin of this concern is taken to be Lunyu XIII 3 The group as listed in the Han Shu comprised seven men living between the sixth and third centuries BC Only four of these men have extant writings attributed to them Deng Xi Yin Wen Hui Shi and Gongsun Long and in three of these there are issues of authenticity Nevertheless it is an important group for an understanding of the development of pre Qin philosophy as the men themselves and the concepts they explored feature prominently in the writings of the other schools

The present work contains four sections i the extant writings of the four men ii all significant references to them in other works up the fourth century AD iii other significant writing on the topics up to that time and iv four appendices on specific issues concerning the school China's Encounters on the South and Southwest James A. Anderson, John K.

The Confucian Misgivings--Liang Shu-ming's Narrative About Law Zhangrun Xu,2017-06-23 The major intellectual interest throughout this book is to offer a study on China s legal legacy through Liang Shu ming s eyes The book follows the formula of the parallel between Life and Mind Physis and Nomos and compares Liang Shu ming s narrative with his own practical orientation and with the theories of other interlocutors The book puts Liang Shu ming into the social context of modern Chinese history in particular the context of the unprecedented crisis of meaning in the legal realm and the collapse of a transcendental source for Chinese cultural identity in the light of modernity The evaluation provided by this narrative could be helpful in clarifying the deep structures and significance of the present Chinese legal system through historically exploring Liang Shu ming s misgivings The book is intended for academics of legal history and cultural studies The book is unique in that it is the first book to explore New Confucian s considerations on reconstruction of Chinese legal system in the modern era It presents a comprehensive systematical comparison of Liang Shu ming s narrative about constitutional government in China against other schools of thought **History of Chinese Philosophy in the Ming Dynasty** Xuezhi Zhang,2021-04-26 This book starts with the classification of the main views of different thinkers after the study of the original materials which covers all the thinkers thoughts and conceptions A major objective of this book is to reveal the ideas of the philosophers Key ideological opinions are stated with the former discussion of exact questions and further clarification of their philosophical meaning which enables the readers to better understand the meaning and value of the philosophical thoughts Since the logic and history are in accordance with each other a frame of conception is formed then Then the author clearly explains the logical relationship in the frame mentioned before as well as the formation of the key concepts and their relationship *American Tianxia* Salvatore Babones,2017-07-19 After a meteoric rise China s growth has come to a screeching halt Salvatore Babones provides an up to date assessment of how China s economic problems are undermining its
