

FAILSTATE

THE COMPLETE E-BOOK TRILOGY

JOHN W. OTTE

Failstate John W Otte

John W. Otte

Failstate John W Otte:

Failstate John W. Otte, 2021-06-21 Why did Robin Laughlin aka Failstate think being a superhero on a reality show would be a good idea Things seemed so simple win the show become an official licensed hero But with his brother Ben aka Gauntlet stealing America's heart and with Rob's own powers proving too unwieldy for TV Failstate begins to wonder if he's going to live up to the failure of his name Until one of his friends and fellow competitors is murdered Robin vows to find the killer and he sets out on a very real quest to unmask the hidden villain Can Failstate find justice Or will his lunk of a big brother ruin everything including taking the girl who has stolen Robin's heart Very soon Failstate and Gauntlet will come to blows Which has been the villain's plan all along Publisher's Weekly in a starred review said this about Failstate Otte nails the concept He balances fantasy with teen hormones in a clever and page turning debut The amusing noirish atmosphere of the setting draws older readers A TV show full of sequel possibilities

A Cast of Stones () Patrick W. Carr, 2013-02-01 2014 Carol Award Winner for Speculative The Fate of the Kingdom Awaits the Cast of Stones In the backwater village of Callowford Errol Stone is enlisted by a church messenger arriving with urgent missives for the hermit priest in the hills Eager for coin Errol agrees to what he thinks will be an easy task but soon finds himself hunted by deadly assassins Forced to flee with the priest and a small band of travelers Errol soon learns he's joined a quest that could change the fate of his kingdom Protected for millennia by the heirs of the first king the kingdom's dynasty nears its end and the selection of the new king begins but in secret and shadow As danger mounts Errol must leave behind the stains and griefs of the past learn to fight and discover who is hunting him and his companions and how far they will go to stop the reading of the stones With an engaging imaginative world that bristles with danger characters that keep you guessing and a story that sticks with you A Cast of Stones will keep you devouring pages until the very end I highly recommend it John W Otte author of Failstate Carr's debut the first in a series is assured and up tempo with much to enjoy in characterization and description not least the homely life as lived details Publishers Weekly This fast paced fantasy debut set in a medieval world is a winner Both main and secondary characters are fully drawn and endearing and Errol's transformation from drunkard to hero is well plotted Carr is a promising CF author to watch Fans of epic Christian fantasies will enjoy discovering a new voice Like the preceding series title Inescapable this tale of suspense offers a colorful cast of characters small town drama and a hint of romance A sure bet for fans of Hannah Alexander Library Journal Good fantasy books have to be excellent Good storytelling and exceptional characters with circumstances that are easy enough to follow and wrap your brain around but keep you entertained and guessing Cast of Stones has found itself firmly in that list of books I absolutely one hundred percent loved this book Radiant Lit

Storyworld First <\$JillWilliamson>, 2014-08-13 The question I hear most from beginners about building a fantasy storyworld is Where do I start Oz Wonderland Narnia the 100 Acre Wood Neverland Hogwarts the United Federation of Planets Westeros Middle Earth Alagaesia Terabithia Gotham City Jurassic Park Fablehaven and a galaxy far far away These

fictional places have become real in the minds and hearts of readers. These storyworlds that someone invented, someone who was once like you, learning to tell stories, learning to write and dreaming about publishing a novel. Whether you're starting from scratch or are looking to add depth to a finished story. **Storyworld First** will get you thinking. Includes tips for worldbuilding, Astronomy, Magic, Government, Map making, History, Religion, Technology, Languages, Culture. And how it all works together.

Failstate John Otte, 2021-06-21. Abaddon will destroy you all. Robin Laughlin aka the superhero Failstate has finally achieved his dream. Not only is he a licensed vigilante but he's respected by his fellow heroes, feared by criminals, and he's finally achieved peace in his family, especially with his brother Ben aka the superhero Gauntlet. That plus the love of his girlfriend Charlene has made life good. But then Failstate learns a secret about his father. Rather than the loving family man he remembers, Failstate's father was a criminal who got himself killed when he crossed the wrong people. Before he can process this new information, he receives a warning that a villain named Abaddon is coming to New Chayton. The message is all the more disturbing since it's delivered by Lux. She died in Failstate's arms a year earlier. How can she possibly be alive? Those mysteries will have to wait though as Abaddon storms New Chayton, strewn with death and destruction in his wake. But he's not the only newcomer. Unusual heroes are appearing throughout the city. Can Failstate get to the bottom of the reappearance of Lux, the influx of new heroes, and truth behind his father's past, all while keeping Abaddon at bay? Abaddon may prove Failstate's greatest nemesis. But what will Failstate have to sacrifice along the way?

The Hive John W. Otte, 2015-10-16. A pregnant cyborg and a teenage boy fight against intergalactic governments to protect the unborn in this novel from a Christy Award-nominated author. Why is Zain pregnant? She belongs to the Hive, a collective of cyborgs who choose to live apart from the rest of human society. At times, the Hive rent out some of their females to produce tailor-made children for paying couples. But Zain is an engineer, not a breeder. When she finds herself separated from the Hive, she decides to find the person who she thinks ordered the baby. Surely they'll help her find her way home. Matthew Scorn Nelson has spent the better part of his teenage years cracking computer systems, causing mischief and havoc wherever he can. But the night of his greatest triumph turned into a painful memory, one he wants to erase. But that night was also his first step on a road to faith. When Zain arrives on his doorstep, Scorn is horrified. What's he supposed to do with a pregnant teenage cyborg? Unfortunately, he'll have to answer that question on the run. Zain's people want to reclaim her and terminate her pregnancy. And both the Ministrix and the Praesidium, two intergalactic governments in a constant state of cold war, want Zain's baby for their own reasons. Will their enemies run them down? Or will Zain find a new Hive for both her and her child?

Failstate: Legends John Otte, 2021-06-21. A young superhero, a legend reborn. And a whole mess of zombies. Failstate aka Robin Laughlin thought his life would get easier after he'd earned his superhero license. But now a legendary superhero has returned from the dead along with a horde of shambling horrors who want to eat his brains. New Chayton's other licensed heroes are indisposed, meaning that the whole weight of protecting the city has fallen on Failstate. And nobody thinks he's up

to the challenge At least he has help from his older brother Gauntlet and his best friend Veritas Or does he As if the zombie apocalypse weren t enough complicating things are not one but two beautiful girls vying for Failstate Robin s affections and his own powers are doing something interesting In the superhero business interesting is bad Legends walk the streets of New Chayton If Failstate can somehow survive the next few weeks he could become one of them

If you ally need such a referred **Failstate John W Otte** books that will give you worth, acquire the enormously best seller from us currently from several preferred authors. If you want to humorous books, lots of novels, tale, jokes, and more fictions collections are as well as launched, from best seller to one of the most current released.
