Fordson E1a Manual:

Fordson New Major E1A Manual PAT. WARE,2017-05 *Fordson New Major E1A* Pat Ware,2013-09-01 The Fordson Major tractor was produced in large numbers at Ford s UK Dagenham factory from 1951 until 1964 and was exported across the world including to the USA where it was called the Ford 5000 diesel Produced with petrol diesel and kerosene burning engines the E1A was the subject of continuous development during its life and was a huge success Many examples of the E1A can still be found at work on farms today 50 years after the first models entered production This extensively illustrated book provides a unique insight into this classic tractor **Vintage and Classic Tractor Restoration** Richard Lofting,2017-02-28

Vintage and Classic Tractor Restoration is a complete guide to the subject looking at how to initially purchase a tractor through private means or at auction and then how to restore it back to its former glory as it would have looked when it left the factory It is even possible to preserve a classic tractor in its working condition which has a unique appeal to some tractor collectors and in some ways is harder than a full restoration to undertake Practical techniques have been amply illustrated throughout the book ranging from the simple use of a lathe or milling machine to the making from scratch of various tools useful in restoration work Rather than just replacing items such as carburettor starter motor or dynamo practical advice is given on how to test and rebuild these components back to full operation Fifty two practical picture spreads show techniques suitable for restorers of all levels of skill Contents Setting up the workshop and making specialist tools Finding a tractor to restore Engine and fuel Electrical systems Transmission and brakes Wheels tyres and steering Hydraulics and the three point linkage Metalwork Painting and finishing Aimed at serious tractor enthusiasts and agricultural machinery engineers and fully illustrated with 1100 colour photographs **The New Fordson Major Repair Manual** ,1978
