Generational Curses Mertyle Silverius,2014-11-04 A cloak is a loose garment that is worn over indoor clothing and serves the purpose as an overcoat It protects you from the cold rain or wind Or it can be used as a fashionable outfit There has always been some form of long unstructured outer garment used to protect people from the weather However in my book it is a cover up for evil spirits to hide under I am going to take the cloak off so you can see them for who they are My prayer is that you will be able to know what to do after I have removed them from under the cloak *The Cursed Cloak of the Wretched Wraith #3* Rob Renzetti,2025-08-12 From the creator of My Life as a Teenage Robot comes the epic finale to the middle grade horror series about a horrible bag the spine chilling world hidden within it and a terrifying adventure into the world of GrahBhag Perfect for fans of Coraline the Spiderwick Chronicles and Small Spaces They entered the horrible bag They survived the twisted tower But can they escape the cursed cloak Zenith Maelstrom is running out of time It s only been a month on Earth since he was ejected from the macabre world of GrahBhag with his sister Apogee and best friend Kevin still trapped inside but in GrahBhag years are passing And with the horrible bag out of reach Zenith has no way to get back to save them That is until a new portal opens up and provides him passage back to GrahBhag Once there he learns that things are more dire than he thought as the literal fabric of the terrifying world has begun to rip at the seams If Zenith has any chance to save his sister and maybe even GrahBhag in the process he ll have to dive deeper into the secrets of this terrible world than he ever has before For the Wraith is haunting and time is not on his side With a combination of dry absurdist humor and no holds barred horror Rob Renzetti has crafted a delightfully imaginative fantasy world that will hook readers as surely as it will send chills down their spines *The Unmorrow Curse* Jasmine Richards,2022-05-05 Two friends awaken a world of myth and magic in this epic middle grade fantasy perfect for fans of Rick Riordan It s not every day that you find a famous weather woman bound by magic to a tree deep in the woods Or discover that the weatherwoman is in fact Sunna the Norse Goddess of the Sun and one of the seven day guardians who keep time in order But that s just what happens to new friends Buzz and Mari and it s only the start of their adventure Now as humanity is forced into a lockdown called the Unmorrow Curse and is forced to repeat the same Saturday over and over again Buzz and Mari must journey to collect the Runes of Valhalla and awaken the other day guardians before vengeful god Loki can get to them first **From Curses to Blessings** Ken Harrington,Jeanne Harrington,2011-01-01 From Curses to Blessings takes readers through a thorough teaching on the various causes that allow curses to enter our lives including generational patterns and personal sin The authors give substantial scriptural support to their message along with lists of demonic spirits associated with various sins and prayers for freedom Since the material covers the full range from murder and prostituting oneself to the way one speaks about one s neighbor or thinks about one s spouse all believers will be able to find something to apply to their lives to gain greater freedom The final chapters include faith building material on how to release God s blessings into our lives *The*
