The Invisible Powers William Walker Atkinson,2023-08-15 An occult classic *Genuine Mediumship or The Invisible*

Powers discusses the nature of mediumship and psychic powers and shows how anyone may heighten their latent faculties. One of the most common misconceptions of the occult sciences student is that which is expressed by the term supernatural. This term is used to express the idea of that which is outside of the realm of nature and of nature's laws. Advanced students and teachers of the occult doctrine know that we have no direct knowledge of anything outside the realm of nature and of nature's laws. It is true that we may by an act of faith profess to believe in powers and beings entirely apart from the great realm of Nature. In fact most persons do believe in such powers and beings in connection with their formal religion but their belief is entirely within the category of Faith and is not even pretended to be based upon actual experience and phenomenal manifestation. The moment that there appears any manifestation which is possible of being known to or experienced by the human senses ordinary or extraordinary that moment the phenomena and the immediate cause thereof must be regarded as being properly classed in the category of natural. This is true not only of such phenomena as are perceived by means of our ordinary five senses but also of those which are perceptible only to the highest powers of perception or higher senses which are latent in all human beings but which are unfolded only in the case of a comparatively few individuals of the race. It should be clearly understood by all students of occultism or psychic phenomena that man's knowledge and experience normal or supernormal is confined to the realm of Nature. There is a ring pass not around the boundaries of the Kingdom of Nature which mortals cannot pass no matter how high may be their degree of development and advancement. Even those great mystics whose writings are filled with the startling revelations of union with the Divine and of At one ment with Deity are under no illusion concerning this fact they know full well that only in so far as Deity involves itself in Nature wraps itself up in the garments of Nature can it be directly experienced by man and thus actually known by him. An occult classic *Genuine Mediumship or The Invisible Powers* discusses the nature of mediumship and psychic powers and shows how anyone may heighten their latent faculties. *Genuine Mediumship* Swami Bhakta Vishita, 2014-03-29 This Is A New Release Of The Original 1919 Edition *Genuine Mediumship* William Walker Atkinson, 2018-07-10 **Genuine Mediumship; or, The Invisible Powers** William Walker Atkinson, 2019-11-22 In *Genuine Mediumship or The Invisible Powers* William Walker Atkinson delves into the intricate realms of spiritualism and mediumship presenting a comprehensive exploration of the unseen forces that shape human experience. Atkinson's literary style is both didactic and approachable blending philosophical inquiry with practical guidance making complex metaphysical concepts accessible to a broad audience. Set against the backdrop of the late 19th century spiritualist movement the book is situated within a burgeoning interest in the paranormal challenging readers to reconsider the boundaries of reality and the nature of human consciousness. William Walker Atkinson a prolific writer and influential figure in the New Thought movement was deeply invested in exploring the intersection of science and spirituality. His extensive background in philosophy coupled with his personal experiences in the realms of meditation and spiritual practice informed his desire to illuminate the principles of mediumship. Atkinson's insights embody a

synthesis of Eastern and Western thought driven by a quest to elevate human understanding beyond conventional perceptions This book is highly recommended for anyone intrigued by the mysteries of psychic phenomena or the philosophical underpinnings of spiritual practice Atkinson's rigorous yet insightful approach not only invites readers to contemplate the metaphysical but also empowers them to delve deeper into their own spiritual journeys Genuine Mediumship Or the Invisible Powers Bhakta Vishita,2008-07 Author of Seership the Science of Knowing the Future
