But Harry Hole is no longer with the force. He promised the woman he loves and he promised himself that he'd never go back, not after his last case which put the people closest to him in grave danger. But there's something about these murders that catches his attention, something in the details that the investigators have missed. For Harry it's like hearing the voice of a man he was trying not to remember. Now, despite his promises, despite everything, he risks.
