Worst of Jock Stewart Jock Stewart, 2006-12-01 A cynical sarcastic and randomly humorous look at real and or imagined news irreverently crafted to look like newspapers would look if they could get away with it **Voting Rights** United States.

Congress. House. Committee on the Judiciary, United States. Congress. House. Committee on the Judiciary. Subcommittee No. 5, 1965 **Up in the Air** Holly Smith, 2025-10-28 How the Rise Rise Tower Block came to symbolise the welfare state and what went wrong from an award winning debut historian Up in the Air tells the story of Britain's multi storey council housing from its beginnings to the present day Throughout its history high rise has been a symbol of the welfare state for better or worse Here Holly Smith tells a new story from the perspective of those who lived there exploring how residents grappled with this brave new world above the old skyline Through a series of historical moments based upon prize winning research we confront the human story of high rise Britain Interrogating the complex inheritance of mid century urban reconstruction Smith shows how these buildings became a crucible for the welfare state's reimagination over the decades She traces the scattering of a local community during the construction of Park Hill in Sheffield in the 1950s The resistance of residents after the Ronan Point collapse of 1968 The formation of a pioneering tenants cooperative to revive a crumbling estate during the closure of the Docklands The rage of a National Tower Blocks Network advocating for high rise safety in the 1980s and 1990s The excitement of early digital culture in a Liverpoolian pensioners high rise internet television show in the 2000s And the fierce battle to defend estates from demolition in the 2010s Up in the Air is a rich history of political struggle within Britain's most misunderstood buildings offering essential lessons for a reformed social housing compact

Justice at Work Marc Doussard, Greg Schrock, 2022-05-17 A pathbreaking look at how progressive policy change for economic justice has swept U S cities In the 2010s cities and counties across the United States witnessed long overdue change as they engaged more than ever before with questions of social economic and racial justice After decades of urban economic restructuring that intensified class divides and institutional and systemic racism dozens of local governments countered the conventional wisdom that cities couldn't address inequality enacting progressive labor market policies from 15 minimum wages to paid sick leave Justice at Work examines the mutually reinforcing roles of economic and racial justice organizing and policy entrepreneurship in building power and support for policy changes Bridging urban social movement and urban politics studies it demonstrates how economic and racial justice coalitions are collectively the critical institution underpinning progressive change It also shows that urban policy change is driven by urban policy entrepreneurs who use public space and the intangible resources of the city to open agenda windows for progressive policy proposals incubated through national networks Through case studies of organizing and policy change efforts in cities including Chicago Seattle and New Orleans around minimum wages targeted hiring paid time off fair scheduling and anti austerity Marc Doussard and Greg Schrock show that the contemporary wave of successful progressive organizing efforts is likely to endure Yet they

caution that success is dependent on skillful organizing that builds and sustains power at the grassroots and skillful policy work inside City Hall By promoting justice at and increasingly beyond work these movements hold the potential to unlock a new model for inclusive economic development in cities *Parliamentary Debates* Australia.
