

MOVING ON...

LEAVING AVRA

Even good things must sometimes come to an end. In some situations, conditions may arise which necessitate my resignation. I am free to separate from Avra for any reason.

Although I may end my employment relationship with Avra at any time for any reason, I will provide at least two (2) weeks' notice of my resignation. I understand, however, that Avra has the right to accept my resignation immediately and accelerate my final date of employment. In either event, my personnel records will reflect I resigned voluntarily. I will receive compensation through my last day of actual work.

I understand that Avra will have considered me to have voluntarily terminated my employment if I:

- Resign from Avra, verbally or in writing;
- Fail to report to work or call in for more than 2 scheduled consecutive work shifts; or
- Walk off the job, to the extent such conduct is not protected activity under the National Labor Relations Act.
