ailing land In the well known Diary from Dixie Mary Boykin Chestnut depiced her native Southland as one of cavaliers with their ladies statesmen and politicians honor and glory But Hawks painted a much different picture And unlike Chestnut s characters hers were liberated slaves and their hungary children swaggering carpetbaggers occupation troops far from home and zealous missionaries Revealed in the pages of this diary is a woman of vast energy intelligence and fortitude who transformed her idealism into action *Howard Hawks* Todd McCarthy,2007-12-01 The first major biography of one of Old Hollywood s greatest directors Sometime partner of the eccentric Howard Hughes drinking buddy of William Faulkner and Ernest Hemingway an inveterate gambler and a notorious liar Howard Hawks was the most modern of the great masters and one of the first directors to declare his independence from the major studios He played Svengali to Lauren Bacall Montgomery Clift and others but Hawks s greatest creation may have been himself As *The Atlantic Monthly* noted Todd McCarthy has gone further than anyone else in sorting out the truths and lies of the life the skills and the insight and the self deceptions of the work A fluent biography of the great director a frequently rotten guy but one whose artistic independence and standards of film morality never failed *The New York Times Book Review* Hawks s life until now rather an enigma has been put into focus and made one with his art in Todd McCarthy s wise and funny *Howard Hawks* *The Wall Street Journal* Excellent A respectful exhaustive and appropriately smartass look at Hollywood s most versatile director *Newsweek*
