

HOW TO USE THIS MANUAL

This manual is based on the '83 model. Any information that differs between the '83 and '84 models is called out in the text or in a note.

Sections 1 through 3 apply to the whole motorcycle, while sections 4 through 16 describe parts of the motorcycle, grouped according to location.

Find the section you want on this page, then turn to the table of contents on page 1 of that section.

Most sections start with an assembly or system illustration, general instructions, specifications, torque values, tools and troubleshooting for the section. The subsequent pages give detailed procedures for the section.

Read section 18, Technical Information, for Pro-link suspension information.

If you don't know the source of the trouble, go to Section 19.

All information, illustrations, directions and specifications included in this publication are based on the latest product information available at the time of approval for printing. HONDA MOTOR CO., LTD. reserves the right to make changes at any time without notice and without incurring any obligation whatever.
