Questions to Ask in an Informational Interview

- Can you tell me a bit about your career path and what led you to the role you're in today?
- What were some of your early roles in the field?
- What does a work day look like for you?
- What are some big projects you're working on now or that you've finished up in the last few months?
- What do you enjoy most about the work you do? / What are you most excited about right now?
- What do you enjoy the least? Or, is there something that surprised you about the role when you first started?
- What skills do you think are most important for someone interested in a job like yours?
- Do you think there's a personality type that's not well-suited for this kind of career?
- What are some of the biggest challenges you face day-to-day?
- What about the biggest rewards?
- What do you wish you'd known when you were starting out in this career/role?
- Where do you see yourself in 5 or 10 years?
- Do you have any recommendations for other people I should talk to or other resources I should explore?
- Are there any questions I'm not asking that I should be?
- Would it be alright for us to stay in touch?
