**A Practical Guide to Scientific Writing in Chemistry** Andrew Terhemen Tyowua, 2023-03-31  
 Successful completion of postgraduate studies especially PhD and career advancement in academia strongly depend on the ability to publish scientific papers or books and attract research grants  
 However many chemical scientists find preparing scientific papers and research grant and book proposals difficult partly because of insufficient training in writing and partly because there are few practical books to enable them to learn the art  
 This step by step practical guide is intended mainly for postgraduate students and early career researchers in chemical science and the libraries that serve them but will also be useful to other scientists  
 Key Features  
 Improves the reader's chances of getting their manuscript published in chemistry journals  
 Increases the likelihood of winning research grants in chemistry  
 Takes a lead by the hand approach  
 Contains chapters on the preparation of graphical abstracts and research highlights  
 Uses sketches and other illustration styles to aid mental visualization of concepts  
 Contains practical examples taken from published papers and successful research grant proposals
