

## GLOBAL EDITION

### Introducing ... *International Finance*, Global Edition, by Eun, Resnick, and Sabherwal

We are pleased to present this Global Edition, which has been developed specifically to meet the needs of international finance students. In addition to providing a foundation for analysis and decision making, and expanded coverage of the global financial crisis, material has been added to make the content more relevant and improve learning outcomes for the international student.

Enhancements to the Global Edition include:

- New chapter opening, chapter examples, and end-of chapter problems that illustrate financial decision making in an ever-evolving global landscape.
- New and expanded coverage of recent economic developments such as the sovereign debt crisis in Europe, cross-listing and security regulations, and Basel II capital adequacy standards.
- Revised data and statistics that reflect the most recent information available.
- Application of key concepts through real international scenarios in new and revised International Finance Practice Boxes, mini cases, case applications, and Internet exercises.

This Global Edition has been adapted to meet the needs of courses outside of the United States and does not align with the instructor and student resources available with the U.S. edition.
