**Kıymet Tunca Çalıyurt**

## **International Journal Of Business Governance And Ethics Impact Factor:**

**Corporate Governance and Organisational Performance** Naeem Tabassum, Satwinder Singh, 2020-06-28 Establishing a corporate governance strategy that promotes the efficient use of organisational resources is instrumental in the economic growth of a country as well as the successful management of firms This book reviews existing literature and identifies board structural features as key variables of an effective corporate governance system establishing a multi theoretical model that links Board structural characteristics with firm performance It then using a comprehensive empirical study of 265 companies listed on the Karachi Stock exchange tests this conceptual model This research serves as a significant milestone reflecting the socio economic setting of emerging economies and highlighting the need for the corporate sector in emerging markets to move away from a tick box culture It argues that the sector needs to implement corporate governance as a tool to mitigate business risks appoint and empower non executive directors to achieve an effective monitoring of management and establish their own ethical and governance principles applicable to the Board of Directors Based on an extensive data base collected painstakingly over five years this book offers new insights and conceptual framework for further research in this area Given the breadth and width of the research it is a useful source of future reference for students researchers and policy makers

*New Approaches to CSR, Sustainability and Accountability, Volume III* Kıymet Tunca Çalıyurt, 2022-11-02 This book continues the discussion in the first two volumes on the challenges that organizations face in order to implement sustainability ethics and effective corporate governance all of which are important elements of standing out from other companies Examining the background of the New European Consensus on development with the new guiding motto Our World Our Dignity Our Future the authors explore how this new legislation on sustainability issues around the world is forcing companies to deal directly with sustainability issues The 2030 Agenda for Sustainable Development 2030 Agenda adopted by the United Nations in September 2015 is the international community s response to global challenges and trends in connection with sustainable development With the Sustainable Development Goals SDGs at its core the 2030 Agenda is a transformative political framework designed to eradicate poverty and achieve sustainable development globally It balances the economic social and environmental dimensions of sustainable development including the key issues of governance and peaceful and inclusive societies and recognizes the essential interlinkages between its goals and targets i e that they must be implemented as a whole and not selectively The respective chapters in this volume raise a number of questions regarding corporate social responsibility ethics and corporate governance in the face of new technology and new approaches to climate change and sustainability reporting

*Handbook of Bibliometric Indicators* Roberto Todeschini, Alberto Baccini, 2016-05-04 At last the first systematic guide to the growing jungle of citation indices and other bibliometric indicators Written with the aim of providing a complete and unbiased overview of all available statistical measures for scientific productivity the core of this reference is an alphabetical dictionary of indices and other algorithms used to evaluate the importance and impact of

researchers and their institutions In 150 major articles the authors describe all indices in strictly mathematical terms without passing judgement on their relative merit From widely used measures such as the journal impact factor or the h index to highly specialized indices all indicators currently in use in the sciences and humanities are described and their application explained The introductory section and the appendix contain a wealth of valuable supporting information on data sources tools and techniques for bibliometric and scientometric analysis for individual researchers as well as their funders and publishers

Behavioural Risks in Corporate Governance Ngozi Vivian Okoye, 2015-03-05 Recent cases of corporate failures including the fixing of LIBOR rates and money laundering issues in the banking industry highlight how behavioural issues on the part of company directors are significant contributory factors in corporate governance and the success or failure of companies This book examines how personality and behavioural issues have contributed to major corporate failures and how this risk may be managed The book examines behavioural risks in corporate governance and evaluates the extent to which risk management mechanisms have acknowledged various aspects of behaviour Drawing from cases in the UK the US and Australia and research in psychology and the behavioural sciences Ngozi Vivian Okoye argues that current corporate governance mechanisms lack provision for identifying and managing personality risks and suggests how constituent elements of behaviour should be engaged with when developing preventive mechanisms for corporate failures Okoye presents a conceptual framework for identifying and managing personality risks and explores how personality risk may be built into corporate governance regulation The book will be of great use and interest to researchers and practitioners in business and company law corporate governance and critical management studies

Resolving the Crisis in Research by Changing the Game Morten Huse, 2020-04-24 This groundbreaking book arrives at a time of growing concern for the future of true scholarship Calling for coordinated efforts to reorganise the scholarly ecosystem Morten Huse reflects on the past and looks to the future to uncover a communal approach to scholarship that comprises an open innovative and impact driven attitude to research that can change the academic game

Becoming Metric-Wise Ronald Rousseau, Leo Egghe, Raf Guns, 2018-01-02 Becoming Metric Wise A Bibliometric Guide for Researchers aims to inform researchers about metrics so that they become aware of the evaluative techniques being applied to their scientific output Understanding these concepts will help them during their funding initiatives and in hiring and tenure The book not only describes what indicators do or are designed to do which is not always the same thing but also gives precise mathematical formulae so that indicators can be properly understood and evaluated Metrics have become a critical issue in science with widespread international discussion taking place on the subject across scientific journals and organizations As researchers should know the publication citation context the mathematical formulae of indicators being used by evaluating committees and their consequences and how such indicators might be misused this book provides an ideal tome on the topic Provides researchers with a detailed understanding of bibliometric indicators and their applications Empowers researchers looking to understand the indicators

relevant to their work and careers Presents an informed and rounded picture of bibliometrics including the strengths and shortcomings of particular indicators Supplies the mathematics behind bibliometric indicators so they can be properly understood Written by authors with longstanding expertise who are considered global leaders in the field of bibliometrics

*Enhancing Boardroom Diversity in Saudi Arabia* Abdullah Eskandarany, 2023-01-30 This monograph contains an evaluation of the research dealing with the drivers and significance of corporate board diversity and corporate governance focused on Saudi Arabia It specifically shows how to increase board diversity in a different culture and social setting This is achieved by presenting more than two thousand items of secondary data and comparing these to data from 2020 to show the social change from the old to new diversity logics amidst the more general social change with comparative analysis of global trends The book will provide a clear picture of boardroom diversity in Saudi Arabia This will contribute to knowledge through understanding board diversity and exploring whether there have been changes in the boardroom due to social structure shifts and the extent of resistance It will benefit both accounting and governance academics as well as the broader practitioner community Furthermore it will be important for those looking at social change and the role of the Saudi national plan Vision 2030 which provides a strategic framework to reduce the country's dependence on oil diversify its economy and develop its public sector The first book to investigate boardroom diversity in Saudi Arabia Captures the change of Saudi boardroom in six demographic types of diversity Looks into the impact of social settings in Saudi culture by highlighting the Vision of 2030 Provides a comprehensive review of Saudi Arabia's most recent corporate governance codes

*Labor Economics in an Islamic Framework* Toseef Azid, Umar Burki, Muhammad Junaid Khawaja, Nasim Shah Shirazi, Muhammad Tahir, 2021-12-30 The labor market in Islam is governed by the Islamic laws of fairness justice and reward that is equivalent to the job done Most of the literature in the field discusses the normative aspect of the labor market whereas few attempts can be seen to address more positive aspects There is a need for new theoretical and empirical models for the Islamic labor market which should differ from established approaches This book provides a comprehensive overview of the nature scope and dimensions of the labor market in an Islamic context from both theoretical and practical perspectives It presents and discusses labor economics and then compares the similarities and differences between conventional and Islamic views of the labor market explaining where they meet and critically justifying why they differ under the umbrella of Shari'ah The book raises pertinent issues which it analyzes from both standpoints and widens the discourse to include norms morality and related institutions such as social security and welfare A unique feature of the book is that it examines labor economics practices among a specific group of countries and studies the labor conditions within these countries where the majority of the population follow the teachings of Islam in their daily lives The book proposes practical strategies for the development of new models for the Islamic labor market which are compatible with the modern world The book will enable academics and practitioners of Islamic economics to make economic sense of Shari'ah compliance and human resource development

**Future Outlooks on Corporate Finance and Opportunities for Robust Economic Planning** Kunjumammed, Siraj Kariyilaparambu, Ramachandran, Nithya, 2023-02-20 Corporate finance decisions showcase the responses of corporations to address challenges on both the demand and supply sides and the firm value chain Corporate performance strategies and priorities have changed significantly since the pandemic Understanding these changes and developing and implementing policy responses are crucial to success Future Outlooks on Corporate Finance and Opportunities for Robust Economic Planning disseminates knowledge regarding corporate response during crises that contribute to a robust economic planning process It examines the adjustments and strategic interventions that helped corporations mitigate challenges successfully Covering topics such as corporate governance practices global systemic risk interdependencies and investment decisions this premier reference source is an excellent resource for finance professionals business executives and managers financial officers students and faculty of higher education librarians researchers and academicians [Applications of Artificial Intelligence in Business, Education and Healthcare](#) Allam Hamdan, Aboul Ella Hassanien, Reem Khamis, Bahaaeddin Alareeni, Anjum Razzaque, Bahaa Awwad, 2021-07-12 This book focuses on the implementation of Artificial Intelligence in Business Education and Healthcare It includes research articles and expository papers on the applications of Artificial Intelligence on Decision Making Entrepreneurship Social Media Healthcare Education Public Sector FinTech and RegTech It also discusses the role of Artificial Intelligence in the current COVID 19 pandemic in the health sector education and others It also discusses the impact of Artificial Intelligence on decision making in vital sectors of the economy **Proceedings of the 20th European Conference on Management, Leadership and Governance** Mafalda Patuleia, 2024 *Debating Bad Leadership* Anders Örtengren, 2021-04-02 This stimulating collection tackles the question that is uppermost in most of humanity's minds and hearts right now The novel debating approach that is taken generates a rich understanding of the range of ways in which bad leadership is created manifested and most importantly remedied Professor Brad Jackson Waikato Management School The University of Waikato New Zealand In the midst of a world full of incompetent and incoherent leaders this book is exactly what we need a veritable cornucopia of critical leadership studies Keith Grint Professor Emeritus Warwick Business School UK While we like to have leaders who guide looking at the present state of the world there are far too many leaders who misguide It makes this anthology on bad leadership more than timely The various contributors taking many different perspectives highlight the ways leaders can go astray In these very difficult times this book will be a must read for anybody interested in this subject Manfred F R Kets de Vries Clinical Professor of Leadership *Debating Bad Leadership* edited by Anders Örtengren is a book for this time The rise of populism and the emergence of so called strong leaders in many countries have created a social political and economic climate that begs for closer examination of the origins characteristics and forms of especially bad leadership Taking as its starting point the question of why there are so many bad leaders in the corporate world the impressive collection of chapters compiled in *Debating Bad Leadership* canvasses a

comprehensive array of issues ranging from toxic psychopathic leadership and ethical failure to issues of poor selection ill considered recruitment leader in competence conflicted or weak followership to the very concept of leadership itself In debating these fundamental issues this book illuminates and educates and offers some remedies both theoretically and practically Debating Bad Leadership challenges scholars students and practitioners of leadership to continue this fundamental discussion for the benefit of us all Gabriele Lakomski Professor Emeritus Melbourne Centre for the Study of Higher Education University of Melbourne Australia In this book leadership experts explore why there are so many bad leaders and suggest remedies for how the current situation could be improved Some of the experts suggest that reasons for why bad leaders are so common are searched for in people more specifically leaders to become acting leaders or followers Others suggest that reasons are to be found in the leadership role or expectations on those having such role in the lack of support for leaders or in beliefs about leadership On the backdrop of their suggested explanations as to why there are so many bad leaders the experts suggest remedies that could be taken to decrease the number of bad leaders as well as their negative impact The very presumption that this book rests upon also gets its fair share of critique by some of the experts Anders rtenblad is Professor of Working Life Science at the University of Agder Norway He is the editing founder of the book series Palgrave Debates in Business and Management Corporate Governance and Business Ethics Alexander Brink,2011-08-12 This volume explores corporate governance from three perspectives a traditional economic a philosophical and an integrated business ethics perspective Corporate governance has enjoyed a long tradition in the English speaking world of management sciences Following its traditional understanding it is defined as leadership and control of a firm with the aim of securing the long term survival and viability of that firm But recent business scandals and financial crises continue to provide ample cause for concern and have all fuelled interest in the ethical aspects As a result corporate governance has been criticized by many social groups Economic sciences have failed to provide a clear definition of the corporate governance concept Complexity increases if we embed the economic approach of corporate governance in a philosophical context This book seeks to define the concept by examining its economic philosophical and business ethics foundations **Ethics, CSR and Sustainability (ECSRS) Education in the Middle East and North Africa (MENA) Region** Noha El-Bassiouny,Dina El-Bassiouny,Ehab Mohamed,Mohamed Basuony,2020-06-10 The Middle East and North Africa MENA region is undergoing significant socio political and developmental transition Although interest in corporate social responsibility CSR in the region is growing little research has addressed corporate social responsibility education and its potential impact CSR has an important role to play in the socio economic development of the Middle East and North Africa due to the volatility and developmental needs of the region Recent research has highlighted that the vitality of the institutional environment and the needs of multiple stakeholders in CSR are not necessarily consistent with the notion of CSR in the West This book compiles conceptual contextual and empirical research that addresses the concepts of CSR ethics and sustainability education in the

MENA region with a special emphasis on how educators can bridge to the Giving Voice to Values approach This book presents a much needed portfolio of articles from authors based in Egypt Morocco the Sultanate of Oman Qatar and the United Arab Emirates UAE highlighting first an overview of the topic and its corresponding publications in the MENA region then presenting several exemplary cases related to ECSRS application in various countries New Perspectives and Possibilities in Strategic Management in the 21st Century: Between Tradition and Modernity Martínez-Falcó, Javier,Marco-Lajara, Bartolomé,Sánchez-García, Eduardo,Millan-Tudela, Luis A.,2023-07-28 The field of strategic management is facing new challenges as two phenomena sustainability and information and communication technologies have altered the classic pillars of business strategy These far reaching changes require companies to make rapid adaptations in order to achieve optimal situations which can no longer be developed as they did in the past To help academics and managers understand the new fields of study and research within strategic management Javier Mart nez Falc Assistant Professor at the University of Alicante has written a groundbreaking book New Perspectives and Possibilities in Strategic Management in the 21st Century Between Tradition and Modernity This book is an essential guide for reflection and critique offering insights into the new currents and challenges of the discipline shedding light on the modernization of strategies in the corporate world It addresses the renewal and future directions of the field covering topics such as sustainability circular economy green innovation and information and communication technologies including blockchain big data artificial intelligence and IoT The book serves as a must read for academics academic students and policymakers interested in gaining a deeper understanding of current issues impacting deliberate business planning and organization It also serves as a valuable support material for undergraduate and master s business students providing a comprehensive understanding of the new fields of study in the discipline This book is an excellent addition to any academic collection and offers a thought provoking perspective on strategic management Artificial Intelligence and COVID Effect on Accounting Bahaaeddin Alareeni,Allam Hamdan,2022-06-09 This book considers the effects of COVID 19 on accounting particularly with regard to the role of artificial intelligence in accounting in the post pandemic business environment The contributions in the book consider a variety of sectors that have been affected by the pandemic such as the stock market forensic accounting Bitcoin as well as the economic and educational responses to the pandemic and the aftermath felt by both developing and developed countries This book will be a valuable read for academics students and practitioners of accounting who are keen to explore the future of the field in light of the pandemic *Organizational Change, Innovation and Business Development* Magdalena Popowska,Julita E. Wasilczuk,2022-09-23 This volume presents a collection of different views and perspectives featuring both theoretical and empirical contributions to provide deep insight into the role of innovation and of non technological innovation NTI in contemporary business It illustrates how NTI encourages organizational development as well as competitive advantage Chapters display a variety of research methods both qualitative and quantitative including case studies best

practices surveys novel approaches to interpretations concepts and theories Together they contribute to a significant extension of the existing knowledge on non technological innovations and their role in organizations This volume highlights the effects of marketing and organizational innovation strategies on companies innovation and overall performance while demonstrating that the effects of NTI may vary depending on the phase of the innovation process and how it differs within small medium and large enterprises from manufacturing and service industries It explores the bidirectional relationship between technological innovation TI and NTI and considers the competences needed to implement NTI The book is written for scholars and academic professionals from a wide variety of disciplines addressing issues of organizational change and innovation new management techniques and strategies and the sustainable growth of organizations It may also be an interesting source of knowledge for graduate and postgraduate students in management

**Contemporary Economic Issues in Asian Countries: Proceeding of CEIAC 2022, Volume 2** An Thinh Nguyen,Thu Thuy Pham,Joon Song,Yen-Ling Lin,Manh Cuong Dong,2023-04-21 This book continues the discussion from Volume 1 on the general considerations regarding global changes and contemporary economic issues in Asian countries in real terms It offers a collection of original conference papers from the annual international conferences on Contemporary economic issues in Asian countries CEIAC Conference commenced in 2022 in collaboration with CIFOR ICRAF Sungkyunkwan University Korea and Tamkang University Taiwan The theme of the CEIAC Conference 2022 deals with broad aspects of the contemporary economic issues in Asian countries It covers topics such as economics and business economic theory national and international income distribution macroeconomic policies sectors of economy productivity developments financial market business governance bank financing etc green economy and sustainable development developing process development policy public policy sustainable growth green growth etc and international trade and investment international trade theory free trade agreements tariffs intellectual property international law etc The book would interest a wide array of professors researchers lecturers students in fields of economics consultants and decision makers interested in the issues related to economic issues in Asia

### **International Journal Of Business Governance And Ethics Impact Factor Introduction**

In the digital age, access to information has become easier than ever before. The ability to download International Journal Of Business Governance And Ethics Impact Factor has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download International Journal Of Business Governance And Ethics Impact Factor has opened up a world of possibilities. Downloading International Journal Of Business Governance And Ethics Impact Factor provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading International Journal Of Business Governance And Ethics Impact Factor has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download International Journal Of Business Governance And Ethics Impact Factor. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading International Journal Of Business Governance And Ethics Impact Factor. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading International Journal Of Business Governance And Ethics Impact Factor, users should also consider the

potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download International Journal Of Business Governance And Ethics Impact Factor has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
