US Latinization Spencer Salas, Pedro R. Portes, 2017-02-01 Demonstrates how educators and policymakers should treat the intertwined nature of immigrant education and social progress in order to improve current policies and practices Offering a much needed dialogue about Latino demographic change in the United States and its intersections with P 20 education US Latinization provides discussions that help move beyond the outdated idea that Mexican and Spanish language are synonyms This nativist logic has caused Mexican rooms to re emerge in the form of English to Speakers of Other Languages ESOL transitional programs tagging Latinos as Limited English Proficient in ways that contribute to persisting educational gaps Spencer Salas and Pedro R Portes bring together voices that address the social and geographical nature of achievement and that serve as a theoretical or methodological resource for educational leaders and policy makers committed to access equity and educational excellence

Refugee and Immigrant Family Voices Elizabeth Quintero, 2009-01-01 Wisdom and activism come to us sometimes in the smallest and most unexpected ways through soft previously silenced yet passionate voices Critical theory critical literacy and related approaches to learning about the world and many forms of knowledge can be a potentially effective way to address complexities of our changing world society Critical pedagogists and other postmodern scholars speak often of the importance of educators taking on the risk and responsibility of being intellectual participants By attending to both the sense of opposition and the sense of engaged participation intellectuals can explore the possibilities for action This book reports on qualitative research following educators including parents community elders and teachers using critical literacy in several countries and documents the ways the educators use various funds of knowledge Moll et al 2005 for self advocacy It modestly attempts to address the

funds of knowledge of educators families and community members in a variety of contexts from a variety of cultures continents and situations of living Thus this book is for all of us striving to make connections with migrating people through our work educators researchers community activists classroom teachers family advocates and readers interested in the changing dynamics of societies

Text-Dependent Questions, Grades 6-12 Douglas Fisher, Nancy Frey, Heather Anderson, Marisol Thayre, 2014-09-02 Fisher Frey's answer to close and critical reading Learn the best ways to use text dependent questions as scaffolds during close reading and the big understandings they yield But that's just for starters Fisher and Frey also include illustrative video texts and questions cross curricular examples and an online facilitator's guide making the two volumes of TDQ a potent professional development tool across all of K 12 The genius of TDQ is the way Fisher and Frey break down the process into four cognitive pathways What does the text say How does the text work What does the text mean What does the text inspire you to do

Language and Muslim Immigrant Childhoods Inmaculada Ma García-Sánchez, 2014-04-02 *Language and Muslim Immigrant Childhoods* Documenting the everyday lives of Moroccan immigrant children in Spain this in depth study considers how its subjects navigate the social and political landscapes of family neighborhood peer groups and the institutions of their adopted country García S nchez compels us to rethink theories of language and racialization by offering a linguistic anthropological approach that illuminates the politics of childhood in Spain's growing communities of migrants The author demonstrates that these Moroccan children walk a tightrope between sameness and difference simultaneously participating in the cultural life of their immigrant community and that of a host society that is deeply ambivalent about contemporary migratory trends The author evaluates the contemporary state of research on immigrant children and explores the dialectical relations between young Moroccan immigrants everyday social interactions and the broader cultural logic and socio political discourses arising from integration and inclusion of the Muslim communities Her work focuses in particular on children's modes of communication with teachers peers family members friends doctors and religious figures in a society where Muslim immigrants are subject to increasing state surveillance The project underscores the central relevance of studying immigrant children's day to day experience and linguistic praxis in tracing how the forces at work in transnational diasporic settings have an impact on their sense of belonging charting the links between the immediate contexts of their daily lives and their emerging processes of identification

Immigration and the Border David L. Leal, José E. Limón, 2013-06-05 The advent of the twenty first century marks a significant moment in the history of Latinos in the United States The fourth wave of immigration to America is primarily Latino and the last decades of the twentieth century saw a significant increase in the number of Latino migrants a diversification of the nations contributing to this migration and an increase in the size of the native born Latino population A backlash against unauthorized immigration which may indict all Latinos is also underway Understanding the growing Latino population especially its immigrant dimensions is therefore a key task for researchers in the social sciences and humanities The

contributors to Immigration and the Border address immigration and border politics and policies focusing on the U S side of the border The volume editors have arranged the essays into five sections The two chapters in the first section set the stage and discuss the binational lives of Mexican migrants chapters in the subsequent sections highlight specific political and policy themes civic engagement public policies political reactions against immigrants and immigrant leadership Because the immigration experience encompasses many facets of political life and public policy the varied perspectives of the contributors offer a mosaic that contextualizes the impact of and contributions by contemporary Latino immigrants Their research will appeal not only to scholars but to policymakers and the public and will inform contentious debates about migration and migrants

Governing Immigration Through Crime Julie A. Dowling,Jonathan Xavier Inda,2013-03-27 In the United States immigration is generally seen as a law and order issue Amidst increasing anti immigrant sentiment unauthorized migrants have been cast as lawbreakers Governing Immigration Through Crime offers a comprehensive and accessible introduction to the use of crime and punishment to manage undocumented immigrants Presenting key readings and cutting edge scholarship this volume examines a range of contemporary criminalizing practices restrictive immigration laws enhanced border policing workplace audits detention and deportation and increased policing of immigration at the state and local level Of equal importance the readings highlight how migrants have managed to actively resist these punitive practices In bringing together critical theorists of immigration to understand how the current political landscape propagates the view of the illegal alien as a threat to social order this text encourages students and general readers alike to think seriously about the place of undocumented immigrants in American society

Genders, Cultures, and Literacies Barbara J. Guzzetti,2021-11-29 This volume brings together leading scholars in their fields who offer much needed and wide ranging perspectives on the intersections of genders cultures and literacies As incidents of racial and gender aggression grow in number and in global attention it is essential to understand how racial and gender identities and their expressions interplay and influence literacy development and practice Contributors examine how social identities intersect and are expressed in literacy practices across an array of school and out of school settings and discuss how gender and race are represented in individuals multimodal practices Chapters address such topics as the literacy practices of incarcerated fathers of color Black girls literacies Indigenous students cultural literacies the writing practices of Latinx women for identity representation and more Ideal for scholars in literacy studies gender studies and cultural studies this volume is a necessary and original update to the ways cultural racial and gender identities are viewed in current educational and sociocultural climates
