# INTO THE WILD

In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. His name was Christopher Johnson McCandless. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter...

*Renewal in the Wilderness* John Lionberger, 2007 There is an ancient and deeply compelling biblical tradition of going into the wilderness to find God Moses Jesus and Paul to name just a few of our spiritual forebears knew that in the wilderness they would find the quiet and simplicity that would lead to profound spiritual connections They understood that normal day today living is usually not the way to regain that connection with God because it affords little opportunity to simply humbly and quietly listen for God's voice and feel God's presence Perhaps even in our time especially in our time leaving civilization to spend time with God in the wilderness holds an important key to our own spiritual renewal This practical guide illuminates the power of finding God in the wilderness experience and the universality of spiritual connection through nature It explores the teachings about wilderness in sacred writings both ancient and contemporary and how we can grow through the shared and individual experiences of being present in nature Lionberger draws from his own significant moments in the wilderness and stories from the many people who have accompanied him on wilderness treks He explores the meaning of wilderness in our modern society and offers thoughtful suggestions about how to find the Divine in our personal experiences
