

Vital Remains

A wolf silhouette is shown in profile, standing on a dark, silhouetted forest floor. The wolf is facing right. In the background, a vibrant green aurora borealis (Northern Lights) arches across the dark sky, creating a strong contrast with the dark surroundings. The forest is composed of dark, silhouetted evergreen trees. The overall mood is mysterious and somber.

Into Cold Darkness:

In Cold Blood Truman Capote, 2013-02-19 Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote also available are *Breakfast at Tiffany's* and *Other Voices Other Rooms* in one volume *Portraits and Observations* and *The Complete Stories* Truman Capote's masterpiece *In Cold Blood* created a sensation when it was first published serially in *The New Yorker* in 1965 The intensively researched atmospheric narrative of the lives of the Clutter family of Holcomb Kansas and of the two men Richard Eugene Hickock and Perry Edward Smith who brutally killed them on the night of November 15 1959 is the seminal work of the new journalism Perry Smith is one of the great dark characters of American literature full of contradictory emotions I thought he was a very nice gentleman he says of Herb Clutter Soft spoken I thought so right up to the moment I cut his throat Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet then between the investigation of the case and the killers flight Capote's account is so detailed that the reader comes to feel almost like a participant in the events *Baudelaire in China* Gloria Bien, 2012-12-14 Baudelaire's work entered China in the twentieth century amidst political and social upheavals accompanied by a literary revolution that called for classical models and modes of expression to be replaced by vernacular language and contemporary content Chinese writers welcomed their meeting with the West and openly embraced Western literature as providing models in developing their new literature Baudelaire's reception in China provides a representative study of this meeting of East and West His work which has been declared to stand between tradition and modernity also lies at the intersection between classical and modern literature in China Many of the best known and most highly regarded writers in twentieth century China were drawn to Baudelaire's work and some addressed it directly in their own writings Bien draws upon H R Jauss's theory of the shifting and expanding horizons of expectation in the reading and interpretation of a literary work and upon James J Y Lin's notion of worlds received and created by both author and reader to show how poetic lines images and ideas as well as Chinese critics' comments eventually weave into a rich picture of Baudelaire's reception in China **Enquist Plays:** **1** Per Olov Enquist, 2014-05-29 The first collection by Sweden's foremost contemporary playwright NIGHT OF THE TRIBADES 1975 centres around the triangular relationship between August Strindberg the actress Marie Caroline David and Siri von Essen It has been translated into twenty languages including a short run on Broadway THE IMAGE MAKERS 1998 deals with Selma Lagerlof's father and his alcoholism whilst THE RAIN MAKERS is a fascinating study of Hans Christian Andersen THE HOUR OF THE LYNX Enquist's play feelingly translated from the Swedish offers a profound exploration of spirituality love and faith within a text that is grippingly dramatic unfailingly absorbing and often upliftingly lyrical At a time when young writers were looking for new forms of literary expression Enquist settled for an investigative style and attempt to reconstruct events reported to have happened but where the truth is often too inaccessible it was a style that was to remain

The Witches of Bellinas J. Nicole Jones, 2025-05-06 A dreamy California Gothic about a woman who moves to the mysterious town of Bellinas to save her marriage only to be swept up in a hedonistic cult that isn't what it seems Tansy and her husband Guy are the newest arrivals in Bellinas a lush oasis tucked into the coast of northern California where a reclusive creative community is beginning to take shape Helmed by Guy's cousin Mia a famous model turned wellness luminary and her tech mogul husband the group renounces the outside world in pursuit of purity fashioning their own rules about what to eat and how to live Everything seems perfect in Bellinas food is abundant flowers are always in bloom and nearby wildfires leave the town remarkably unscathed While Guy is happy in their new lives Tansy becomes more and more suspicious of the community and increasingly desperate to save her already fragile marriage And as lonely women have throughout the ages she wants to believe in what may only be a beautiful lie The Witches of Bellinas unfolds as a confession from Tansy filled with anguish over the life and sense of self she's surrendered in her desperation to belong In J Nicole Jones's clever reimagining of cult power and groupthink the question isn't why join but rather what happens when you understand the danger but can't conceive of a way out

The Song of the Sad Nightingale Steve Adatto,2023-12-04 This book is a sequence poem of 505 parts It took me several years to write it The poem is an old idea that I had sometime a long time ago It was inspired by some music that I used to listen to called Song of the Nightingale The idea of the universe being so dark and so cold and always being in the darkness of the nighttime made me wonder a bit for the nightingale sings its songs mostly maybe only by night So the universe could be a haunted place that nightingales wander throughout in the darkness and guarding and watching over everything where it can ultimately rule the stars and moons as it supposedly should do There are also midnight nightmares that wander throughout the stars in these enormous gatherings of birds and horses singing for someday the universe will come to its conclusion and it s all mixed in with basic modern day science aspects and things to try to be something new and it tries to explain the universe with songs of nightingales and nightmares ravens and crows and mockingbirds mixed in with the wonder of where the universe has really come from From the darkness it all has come and to the darkness it all shall return And from nowhere it has come to nowhere it will return As Einstein says I want to know how God made the universe I see my life in terms of music Alber Einstein
