Return to the opulent world of Elfhome filled with intrigue, betrayal, and dangerous desires with this first book of a captivating new duology from the 1 New York Times bestselling author Holly Black. A runaway queen. A reluctant prince. And a quest that may destroy them both. Eight years have passed since the Battle of the Serpent. But in the icy north, Lady Nore of the Court of Teeth has reclaimed the Ice Needle Citadel. There she is using an ancient relic to create monsters of stick and snow who will do her bidding and exact her revenge. Suren, child queen of the Court of Teeth and the one person with power over her mother, fled to the human world. There she lives feral in the woods, lonely and still haunted by the merciless torments she endured in the Court of Teeth. She bides her time by releasing mortals from foolish bargains. She believes herself forgotten until the storm hag Bogdana chases her through the night streets. Suren is saved by none other than Prince Oak, heir to Elfhome to whom she was once promised in marriage and who she has resented for years. Now seventeen, Oak is charming, beautiful, and manipulative. He's on a mission that will lead him into the north and he wants Suren's help. But if she agrees, it will mean guarding her heart against the boy she once knew and a prince she cannot trust as well as confronting all the horrors she thought she left behind.

**Keys** Amber Kell, 2019-11-19 Previously Released. My name is Octavius Septimus Stalk, but my friends call me Oss. I live in the City of Keys, a town of gears, keys, locks, and wonder. Our forefathers banished magic long ago, bolted the doors, and locked everything up tight to keep people out and the town's secrets in. Four Lock Lords control what information is left, and everyone else is left struggling to survive. Despite what Thorne, my naïve lover, thinks, I was an orphan, but not a victim. When I walked the streets at the age of twelve, I learned fast where to steal the best food, how to use my daggers, and where to hide my would-be attackers' bodies. No one suspected me of such violence. No one knew then or now that I have magic inside me. Now power-hungry men intend to release the magic for their own benefit at the expense of the rest of the city. We will stop them, even if Thorne must battle his own kin, even if I must reveal my hidden talents and the role I seem destined to play.
