Writing Voices Teresa Cremin,Debra Myhill,2013-07-03 Drawing upon recent research projects undertaken by the co authors and other research within the wider research community this timely book makes connections to projects and initiatives that are unfolding on the national and international scene Highly Commended for the UKLA Academic Book Award 2013 **Teaching Writing Primer** Paul L. Thomas,2005 Until a few decades ago student writing stood as a distant third in the three R s Since the late 1970s however students have been asked to write more and teachers have been expected to

teach writing more specifically In spite of this mandate however little has been done to prepare teachers for this shift in the curriculum This primer provides a brief history of the field as well as an exploration of what we now know about teaching Teachers entering the field as well as seasoned veterans will find how to foster student writers and to grow as writers themselves

Literacy through Creativity Prue Goodwin,2012-09-10 This is a fresh and practical approach to examining the way in which creative arts can be used in the classroom to enhance the learning of literacy in the primary school It includes case studies and activities that clarify the role of creativity in the literacy teaching and advises how to help develop teaching skills This is a must have text for teachers who seek to make literacy learning interesting and fun **The Learning**

and Teaching of Reading and Writing Naomi Flynn,Rhona Stainthorp,2006-07-11 This book provides a unique description of teacher pupil interaction during the Literacy Hour in good schools It is based on detailed observations in inner city primary schools that were recognised as effective and improving The analysis is informed by contemporary research into the development and teaching of early literacy The book provides practice based examples of how teachers and schools might adapt their delivery for literacy as they move to greater creativity in their teaching of reading and writing The analysis begins within the classrooms of three expert Key Stage 1 teachers and broadens out in to the wider setting of the schools and their senior management teams An important theme running throughout the book is how the three teachers were able to make exceptional provision for their pupils who were largely second language speakers and from socio economically disadvantaged groups The teachers successful practice grew from their understanding of both early literacy development and planning for individual need The information in this book will enable student teachers recently qualified teachers and teachers interested in enhancing their literacy teaching to develop their practice in a similarly successful way Language Disorders from
