American Revolution Unit: Liberty! How the Revolutionary War Began Test

1. Read this excerpt from page 2:

“Why had they left home?”

Some left in search of religious freedom. The king and most Englishmen belonged to the Church of England. People who tried to worship differently were thrown in prison or even hanged.

Others left because they were poor and hungry. They hoped to find jobs and food in America.

And some hoped to be rich. In England, a poor farmer couldn't become a respected landowner. If your parents were poor, you too would probably be poor all your life. But in America, if you worked hard, you might become one of the richest people in the land.

Part A: What does the phrase religious freedom mean as used in the text above?

- A) right to work
- B) right to eat
- C) right to own land
- D) right to church of choice

Part B: Which detail best supports Part A?

- A) “they were poor and hungry”
- B) “people who tried to worship differently were thrown in prison or even hanged”
- C) “a poor farmer couldn't become a respected landowner”
- D) “they hoped to find jobs and food in America”

Leap Practice Test 4th Grade Science 2014

JA Banks

Leap Practice Test 4th Grade Science 2014:

Common Core Science 4 Today, Grade 4, 2014-05-15 Common Core Science 4 Today Daily Skill Practice provides the perfect standards based activities for each day of the week Reinforce science topics and the math and language arts Common Core State Standards all year long in only 10 minutes a day Weeks are separated by science topic so they may be completed in the order that best complements your science curriculum Review essential skills during a four day period and assess on the fifth day for easy progress monitoring Common Core Science 4 Today series for kindergarten through fifth grade covers 40 weeks of science topics with engaging cross curricular activities Common Core Science 4 Today includes a Common Core Standards Alignment Matrix and shows the standards covered on the assessment for the week for easy planning and documentation Common Core Science 4 Today will make integrating science practice into daily classroom instruction a breeze
