It was a moment of revelation for me I was seventeen when I learned to fly just a stupid kid and if I knew then what I know now I wouldn t have done it I didn t necessarily regret it in fact quite the opposite I love to fly I love everything about it I just suddenly realized that I m not inherently brave enough of a person to have put myself through all that I ve endured while chasing the clouds I was a kid so squarely risk averse that I demanded everyone get their money back after playing cards for pennies and nickels I was a kid who was intimidated by the challenges involved with earning Boy Scout badges or the honor roll If I had been offered a safe effortless and boring destiny to never have to face the unknown I would ve taken it and probably never looked back **FAA Airworthiness Directive** ,1983 **Civil Airworthiness Certification** Miguel
