Aspillera,Yolanda Canseco Hernandez,2014-07-01 Basic Tagalog takes a friendly and innovative approach emphasizing the structure of the Tagalog language rather than just vocabulary This user friendly beginner Tagalog book teaches more than 2 000 Tagalog words and expressions with over 500 being added for this new edition These are spread throughout 44 lessons the Appendices and the exercises as well as in the Tagalog English and English Tagalog vocabulary lists at the back of the book The added Tagalog vocabulary is meant to keep learners abreast of changes that have occurred in the language since the first edition of Basic Tagalog which was published This edition has retained all the grammar lessons and the tried and tested teaching methodology developed b the author Paraluman S Aspillera for the original version Her method has proven to be extremely effective for tens of thousands of foreigners and non Tagalogs who have used this book to learn Tagalog including many who have successfully learned to speak Tagalog read Tagalog and write Tagalog through self study on their own without a teacher

Downloadable audio has also been added to facilitate the correct pronunciation of Tagalog words and phrases. A succinct introduction to the language and a description of the character of Filipinos will hopefully provide learners with a better understanding of the language they are learning. The lessons in Basic Tagalog are intended for a three month period of intensive study followed by another three months of applied oral communication. In six months or about 250 hours it is expected that an average learner should be able to speak, write and understand simple everyday conversational Tagalog as spoken by most Filipinos. Highlights of this book include Over 2 000 Tagalog words and expressions, 44 lessons organized by organized for efficient language absorption, Extensive exercises and activities to reinforce the lessons, Vocabulary lists serve as comprehensive English Tagalog and Tagalog English dictionaries, Completely updated and expanded with new materials, Includes downloadable audio. Using Basic Tagalog to study the Tagalog language will further encourage both non Tagalogs and non Filipinos to speak Tagalog better. Only then will they appreciate the individuality of the language that reflects the resilience and flexibility of Filipinos all around the world. In the end such learning will improve daily interactions and communications between non Filipinos and Filipinos whether in business, education, tourism, social or civic endeavors.

The Oxford Handbook of Language and Social Psychology Thomas Holtgraves, 2014. The Oxford Handbook of Language and Social Psychology is a unique and innovative compilation of research that lies at the intersection of language and social psychology. Contributors address the role of social processes in language, the linguistic underpinnings of social psychological processes, the creation of meaning and the important role played by language and social psychology in applied topics.

Oxford Companion to the English Language Tom McArthur, Jacqueline Lam-McArthur, Lise Fontaine, 2018-05-14. The Oxford Companion to the English Language provides an authoritative single volume source of information about the English language. It is intended both for reference and for browsing. The first edition of this landmark Companion published in 1998 adopted a strong international perspective covering topics from Cockney to Creole, Aboriginal English to Caribbean English and a historical range from Chaucer to Chomsky, Latin to the World Wide Web. It succinctly described and discussed the English language at the end of the twentieth century including its distribution and varieties, its cultural, political and educational impact worldwide, its nature, origins and prospects, and its pronunciation, grammar, vocabulary, word formation and usage. This new edition notably focuses on World Englishes, English language teaching, English as an international language and the effect of technological advances on the English language. More than 130 new entries include African American English, British Sign Language, China English, digital literacy, multimodality, social networking, superdiversity and text messaging among many others. It also includes new biographical entries on key individuals who have had an impact on the English language in recent decades including Beryl Sue Atkins, Adam Kilgarriff and John Sinclair. It is an invaluable reference for English Language students and fascinating reading for any general reader with an interest in language.
