## **Learnkey Cheats Session :**

**Gaming the System** Alexander H Cohen, John Alden, Jonathan J. Ring, 2019-07-18 Gaming the System takes an active approach to learning about American government using novel exciting and highly instructive games to help students learn politics by living it These timeless games are the perfect complement to a core textbook in American government covering key topics like the Constitution the Supreme Court Congress political participation campaigns and elections the federal bureaucracy the social contract social movements and public opinion and can be applied to specific courses at other levels as well For Instructors These nine games are designed to be easily inserted into courses with all but one fitting into one class session and all flexible enough to adapt or scale as needed Games are designed so that students will be ready to play after minimal preparation and with little prior knowledge instructors do not need to design or prepare any additional materials An extensive instructor only online resource provides everything needed to accompany each game summary and discussion of the pedagogical foundations on active learning and games instructions and advice for managing the game and staging under various logistical circumstances student handouts and scoresheets and more For Students These games immerse participants in crucial narratives build content knowledge and improve critical thinking skills at the same time providing an entertaining way to learn key lessons about American government Each chapter contains complete instructions materials and discussion questions in a concise and ready to use form in addition to time saving tools like scorecards and cheat sheets The games contribute to course understanding lifelong learning and meaningful citizenship
