

WILD CARDS

In the aftermath of World War II, an alien virus struck Earth, endowing a handful of survivors with extraordinary powers. Some were called Aces—those with superhuman mental and physical abilities. Others were termed jokers—endowed with bizarre mental or physical disabilities. Some turned their talents to the service of humanity. Others used their powers for evil. *Wild Cards* is their story.

"Perhaps the most original and provocative of the shared-worlds books."
—Peter S. Beagle, author of *The Last Unicorn*

"Emotionally powerful. *Wild Cards* deals up the variety of short fiction without losing the continuity of a novel." —*The Seattle Times*

"A delightfully imaginative speculation." —*Toronto Star*
