Do you need a visa?

Non-EU residents who wish to visit Portugal, Spain or Italy will need a Visa called a Schengen Visa.

A Schengen visa has to be obtained from the Embassy of the country where the MAIN PURPOSE OF TRAVEL lies.

To apply, contact your nearest embassy or visit:
<http://www.schengenvisas.org> for full details regarding the application process.

Insurance

It's essential you give travel insurance serious consideration; be it to insure your personal belongings, cover yourself for personal liability, or to ensure you can get the right medical help if something were to happen to you, amongst a list of many other scenarios that are all too common for student travelers.

Check your insurance policy boasts at least all of the following benefits:

- Travel cancellations
- Emergency medical cover
- Personal possessions cover
- Sports (personal accident cover)

www.ensleigh.co.uk offers discounted insurance to students during their year abroad.

European health insurance

If you are a UK resident, and a European health card holder, then you are entitled to necessary healthcare of a reduced or free cost.

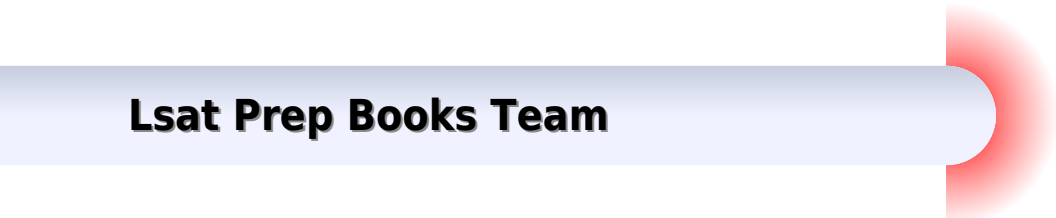

You can apply for free at:
www.ahic.org.uk

It takes just a few minutes to apply and provides great piece of mind.

6th Grade Washington WASL Test Prep Mark Shannon, 2018-01-23 This test prep is good for kids who are on the fence and having trouble passing or need to increase their margin These kids will often say I DON T KNOW WHERE TO START when explaining their confusion This book address that problem with three approaches 1 In contrast with the other study guides that use random questions in their practice exams this book collated the questions into chapters based on the logic to solve them The 6th grade book is divided into eight chapters They are Logic Arithmetic Geometry Fractions Reading Graphs and tables Measurements

including a ruler basic statistics and order of operations This book teaches basics then goes into practice exams with word problems Once the student is proficient with the questions organized into chapters then they are ready for random questions

2 This study guide has thousands of practice problems I have placed over 3100 videos on YouTube showing you how to work the problems

3 I reviewed several years of past exams and placed enfaces on the easiest and most common questions

Mastering these questions should yield a 75% to 80% If a student is already achieving this percentage the other guides or web site with random questions and covering all material might be best A book might be better for your student than the web sites for two reasons

1 The more common and easiest questions are using a ruler to measure The web designers don t know the size of your computer screen and can t determine if the student has measured correctly We can get a high percentage of these problems easily

2 When studying on a computer there are too many websites with the answers With a book parents can have greater assurance the work is being done This book is developed by a trained professional out of concern It is not the product of a large publishing house It is the results of one person who wants to help
