Lunar Light Beautiful Damned Book 1:

Luna, Book 1 of The Luna Chronicle S. C. Dane, 2013-03-29 Beth was raised as a responsible member of human society. Then she meets Alec, a mysterious stranger who knows by her scent that she is a rare Luna, the only being who can ensure the future of his wolf pack. When human beings injure Alec, Beth retreats from the stagnant safety of her human world and surrenders her fate to the wolf man. Beth's and Alec's love for one another ignites the power of the Luna that courses through her veins, and she must learn the laws of being wild wolf if she is to live with Alec and his pack. But they are not the only wolf people who covet the blood of Luna, and she must learn to harness the consuming power of her Luna and use it to safeguard her new family, even if it means giving up the very thing she was born to protect. Set in the countryside of Maine, this novel unfolds as Beth surrenders her body to its absolute essence while she is protected by the loyal wolves she is destined to love. But their world is not only precious, it is also perilous, and her freshened passion for life just may be the catalyst for her death.
