Extension of the Lutheran Church in America The Lutheran Church began as a tiny plant It had small beginnings in two localities New York and Pennsylvania Later we notice scattered settlements along the Atlantic Coast as far south as Georgia Since immigration was largely directed to Pennsylvania this state has ever recorded the strongest growth of Lutheran churches In the beginning of the nineteenth century the stream of immigration crossing the mountains flowed toward the West and resulted in strong Lutheran settlements especially in Indiana and Ohio where the descendants of Eastern Lutherans New York Pennsylvania Virginia established themselves The great immigration of the nineteenth century flooded the country with German settlers These filled the Eastern church which had been losing ground by the anglicization of its members formed new congregations and eventually covered the whole West Finally the stream of immigration then largely composed of people who had settled in the United States was directed toward New England Thus in course of time we find a *The Confessional Principle and the Confessions of the Lutheran Church* Theodore Emanuel Schmauk, Charles Theodore Benze, 1911 Religious Bodies: 1926: Separate denominations: statistics, history, doctrine, organization, and work United States.
