Bellini, 2022-04-07 The title of the book The X Manual is taken from the word exousia from the subtitle It is the Greek word for authority The word is used throughout the New Testament For our purposes it is used to express the divine authority or right to cast out demons I have given you authority exousia to trample on snakes and scorpions and to overcome all the power of the enemy nothing will harm you Luke 10:19 NIV Jesus gives believers authority to cast out demons This book is about spiritual authority over evil The X Manual is a practical how to handbook for clergy and laity on deliverance and exorcism One reason I wrote the book is because so few understand and or operate effectively in deliverance ministry Nowhere is the church more inadequate or excessive than in deliverance ministry The X Manual contains specific time tested biblical instructions on selecting and training a deliverance team pre deliverance work the deliverance session post deliverance work and other useful tools like the C1 13 instrument that helps determine if one needs deliverance Deliverance is essential to the church's New Testament healing and evangelism ministry It is time for the church to walk in the authority and power that Christ gave us to set the captives free **Hallelujah Praise and Worship Manual** Devon Wilford-Said, 2011-03-28 Mrs Devon Wilford Said was motivated to write the Hallelujah Praise and Worship Manual because as a Spirit filled Believer and Minister of God and the Lord Jesus Christ She was therefore compelled to share this important information with others Hallelujah Praise and Worship is a how to teaching manual designed to use praise and worship faith and spiritual warfare principles etcetera to train women of the faith how to overcome fear and oppression to improve their relationship with God The book's theme Praise and Worship the Key to God's Heart Reflects true spiritual values for true worshipers and grants them entrance into the Holy of holies or the very heart of GOD *The Bible Manual* Christian Gottlob Barth, 1865 **Deliverance Manual** Thomas D Williams, LC, 1999-12 The Mormon Delusion. Volume 4. The Mormon Missionary Lessons - A Conspiracy to Deceive. Jim Whitefield, 2011-02-09 The

fourth in The Mormon Delusion series tracks the Mormon Missionary Lesson Manual as taught to investigators and lesson by lesson exposes and explains the truth behind the false teachings At every stage unsuspecting investigators are taught a fictional account of Mormon history and teachings by faithful missionaries who themselves have no idea they are teaching provable fiction This book exposes the underlying truth behind Joseph Smith s original fraudulent claims and modern day fictional Mormon teachings Evidence from within Mormon Church history and Mormon so called scripture proves conclusively that the Mormon Church continues in a conspiracy to deceive its own members missionaries and their investigators alike At the end of a journey through this book there will be nothing left for an investigator to take to the Lord in prayer in order to obtain an answer as to whether what the Mormon Church teaches is true Common sense and reason alone will be enough to determine the truth of the matter
