AMOS GILAT

SI Version

The background of the cover features a dynamic, abstract graphic. It consists of numerous thin, curved lines in a variety of colors including red, orange, yellow, green, blue, and purple. These lines originate from the left side and flow towards the right, creating a sense of motion and energy. The lines are somewhat blurred, giving the impression of light trails or data paths. The overall effect is a vibrant, high-tech aesthetic that complements the technical nature of the book.
