Aforika Tsoga O Bone M S Modise, Kagiso Sejamoholo, 2021-10-05 AFORIKA TSOGA O BONE SETSWANA POETRY BOOK

A synopsis of about 500 words describing the manuscript AFORIKA TSOGA O BONE is a powerful setswana with about 103 poems this poetry book talks about the current moments of our society and the past events that affected our ways of living today. It takes about how the economy is affecting black people, it is more of a rising the consciousness of the dominant and subdominant of the world, it tickles the system that looks down on black people with inferior lenses. Like most poetry books, it also talks about love, but it talks about all the pieces of love, the heartbreaks, falling in love, the wedding parts, getting your loved one pregnant and having to follow the traditional ways, love at first sight, you can name it all. It covers family parts too, the role of a father, a role of a mother, a role of a child, there are some poems that describe grandmother dancing while grandfather enjoying the music. It stretches to our African traditional ways as you can see the titled AFORIKA TSOGA O BONE meaning Africa wake up and see, this book will make a reader remember who they are, where they come from and where they are going, it will paint them a true identity of Africa. Some poems inside this book talk about our heroes like Nelson Mandela, Robert Sekukwe, Steve Biko, Winnie Madikizela, Mandela, and many more. We also see some poems as motivational poems, food to the soul, giving the reader hope to live again and find pleasure in the most simple things of life. Not forgetting how some diseases affected our lives, it has poems about Cancer, HIV, AIDS, Ebola, COVID 19, and many more. This poetry book is like a bible, it has it all, it also has poems that talk about death and life in details. It also speaks about technology since it is our way of life now, not forgetting that it also talks about new age churches, how they affected on how we view religion, how they have turned into business. Young people use drugs excessively, so it also covers on how drugs turn young people into slaves. It covers racism on how racism affects workers and people in general, it talks about voting times, protests, for example a protest that happened in Marina and of 16 June 1976, it also talks about wealth and poverty, abortions, it talks to people who went to the big cities and never came back home, it talks about music stars, different kinds of rains, according to setswana tradition, corruption, free education, rapes, kingdom government workers, and many things. Like I said, this poetry book is a bible, it covers many things of the pasts and of what is currently happening, you will relate and you will find yourself too by reading these poems. The best part is these poems are written in indigenous language in setswana. This book also thanks to old age setswana writers like L. D. Rraditladi and J. M. Ntsime. A small paragraph should be added explaining why the author thinks their book will do well with Xarra Books. This book will do well because it is written by a young person, it is written in setswana, it will be inspiration for many medias to see such a young person who is very proud of his home language, covering the most significant parts of our times, of which it is a rare thing to find when it comes to writing. A young boy who grew up in a community of robbers, drunkards, and fighters, painting such a beautiful gold, it will be inspiration to young people too, if one of us can do it, we can do it too, they will say this book will be a changing factor in
