Me My Elf I:

Me, My Elf & I Heather Swain, 2009-06-11 It's not often you see an elf in the middle of Brooklyn let alone a tall blond gorgeous elf in the middle of one of the most prestigious performing arts high schools in the country And yet that's just where Zephyr Addler finds herself smack dab in the middle of a bustling New York City school worlds away from the secluded woodland community she knows so well But Zephyr knows that she has to figure out how to live in the world And dress in the world Thanks to a little friendly advice from her new friend Mercedes Zephyr starts to get the hang of Brooklyn That is until Zephyr snags a role in a commercial beating out the most popular girl in school Bella Dartagnan Now with Bella and her friends out to get her can Zephyr out maneuver the mean girls and catch the eye of a certain cute boy without losing herself

Beyond the Looking Glass Robert N. Quinn, 2002-08-20 Beyond the Looking Glass is the story of a young boy who dared to venture outside the boundaries of his small world by stepping through a looking glass that promised not only escape from his rural surroundings but adventure beyond his limited horizon Unlike Alice who found a Wonderland when she passed through her looking glass the author found looking glasses at each turn in the road mirrors that did not reflect the wonders that lay beyond or the Mad Hatter characters he was to encounter along the way Beyond the Looking Glass provides an unique tale of the author's journey through the Rite of Passage toward manhood during the difficult times so many suffered from the Great Depression and World War II The reader experiences the author's immaturity then his gradual maturation as he overcomes many obstacles in his quest to join the navy At the age of sixteen he succeeds in his quest and spends the war years in the Pacific Theater where he participates in the Saipan and Guam amphibious landings and later the re taking of the Philippine Islands where his aircraft carrier suffers a kamikaze attack At age fourteen Bob Quinn's travels begin with the encounter of his first looking glass a slow moving freight train
