9. At a task think of others; in a mistake, look to yourself.
10. Accomplish your own ends by honoring others; reconcile hostility with respect to others; increase harmony with praise of others.
11. One who cannot let go of himself lacks wisdom; one who cannot let go of others lacks compassion.
12. Greet others with a blessing, gain friendship and peace at the same time.
13. Show friendship and extend a helping hand and you will emit the radiance of harmony, happiness, and peace.
14. Less quarreling leads to less controversy; more sincerity leads to more peace.
15. To affirm your strengths is self-confidence; to know your defects is growth; to understand others is respect.
16. Care for sentient beings and let go of your achievement.
17. When working together with a subordinate, show concern not blame, encouragement not arrogance, consultation not authority.
18. A forceful and stubborn person only hurts others without helping himself; a mild and patient person is at peace with himself and others.
19. To calm people you must harmonize with them. To gain respect, be a person who is mild and patient, for harmony unites people and mildness diffuses severity.
