*Delete Hyperianism: The New Face of Cults In the Twenty-First Century* Dave Sinclair,2023-02-18

Articles by investigative journalist David G McAfee an expert on cults have revealed what many people have been saying for years that the New Age group known as Hyperianism with several hundred fanatical followers and two millionaire backers is a dangerous cult The leader of this cult calls himself Morgue a suitably cult like appellation Other names he uses are Morgen Night the Night Bringer 89 and the Terror of Men Hyperianism preaches a highly disturbing ideology revolving around Woke extremism and it could easily be considered a hate group encouraging people to say No to normality and to normal people Hyperianism detests mainstream society The leader of the cult is a gender radical preaching a message that androgyny constitutes a higher state and he says that his cult is for people who are higher than human and beyond human He even says that he does not identify as human His misogyny is self evident in this comment I can not count how many times some spray on tan slut has inquired in disbelief why I dress the way I do or do the things I do It s not sexy she informs me Such stupidity makes me want to strangle the bitch Why should I be concerned if other people find me attractive in any way Should I change my identity for a waste producing organ between the legs Morbidly Yours Morgue This toxic leader constantly asks for financial support from people who are clearly highly vulnerable and being groomed by him The sheer number of brainwashing techniques in evidence is astonishing All his life as a street performer and expert in NLP Morgue has perfected the art of getting the weak minded to pay him for putting on a show It s essential for whistleblowers to expose these sinister cults and their even more sinister leaders who do enormous damage to susceptible individuals who are easily psychologically manipulated and exploited by those on the Dark Triad spectrum of narcissism Machiavellianism and psychopathy This book is all about blowing the whistle on this dangerous cult and ensuring that people are warned about what they are dealing with should they ever encounter members of this cult or its sinister leader Judge for yourselves whether Hyperianism is harmless or a sick twisted cult that people must be warned about to stop more falling into its trap
