Knowledge for a Sustainable World Tor Halvorsen,Hilde Ibsen,2015-12-07 The search for answers to the issue of global sustainability has become increasingly urgent In the context of higher education many universities and academics are seeking new insights that can shift our dependence on ways of living that rely on the exploitation of so many and the degradation of so much of our planet This is the vision that drives SANORD and many of the researchers and institutions within its network Although much of the research is on a relatively small scale the vision is steadily gaining momentum forging dynamic collaborations and pathways to new knowledge The contributors to this book cover a variety of subject areas and offer fresh insights about chronically under researched parts of

the world Others document and critically reflect on innovative approaches to cross continental teaching and research collaborations This book will be of interest to anyone involved in the transformation of higher education or the practicalities of cross continental and cross disciplinary academic collaboration The Southern African Nordic Centre SANORD is a network of higher education institutions from Denmark Finland Iceland Norway Sweden Botswana Namibia Malawi South Africa Zambia and Zimbabwe Universities in the southern African and Nordic regions that are not yet members are encouraged to join Mzimba District Socio Economic Profile, 2008 **Knowledge for a Sustainable World** Tor Halvorsen, Hilde Ibsen, 2015-12-07 The search for answers to the issue of global sustainability has become increasingly urgent In the context of higher education many universities and academics are seeking new insights that can shift our dependence on ways of living that rely on the exploitation of so many and the degradation of so much of our planet This is the vision that drives SANORD and many of the researchers and institutions within its network Although much of the research is on a relatively small scale the vision is steadily gaining momentum forging dynamic collaborations and pathways to new knowledge The contributors to this book cover a variety of subject areas and offer fresh insights about chronically under researched parts of the world Others document and critically reflect on innovative approaches to cross continental teaching and research collaborations This book will be of interest to anyone involved in the transformation of higher education or the practicalities of cross continental and cross disciplinary academic collaboration The Southern African Nordic Centre SANORD is a network of higher education institutions from Denmark Finland Iceland Norway Sweden Botswana Namibia Malawi South Africa Zambia and Zimbabwe Universities in the southern African and Nordic regions that are not yet members are encouraged to join **Fostering Girl Child Education in Malawi** Mzumara, Cecilia, 2019-03-21 This book outlines the contribution of the Missionary Sisters of the Immaculate Conception MIC Sisters towards girl child education in Malawi with particular focus on the establishment growth and development of Marymount Girls Secondary School in Mzuzu from 1963 to 2010 The appraisal by former students of Marymount reveals the courage of the pioneering Sisters towards the empowerment of fellow women in places where they were sent to evangelize in spite of numerous challenges that they encountered in the process The history of Marymount shows that education of the girl child provides a viable means to development and improvement of life at family nation and world level **Annual Report** Malawi.
