THE TESTIMONY OF JOHN: 1907 Biblical Study Notes on the Gospel of John George N.H.

Peters,2017-01-01 From cover to cover conception to completion this book is about Jesus It addresses and answers the fundamental question of His identity and mission The book never waivers from this original purpose and structure Who better to inform us of Jesus than John the disciple whom Jesus loved the person to whom Jesus often confided in and to whom He ultimately entrusted with His own future Revelation And who better to expose these truths than Mr George N H Peters gifted Bible teacher and faithful steward of the Word of God throughout his lifetime Composed in the form of study notes the author directs attention away from modern mystical interpretations of this Gospel towards what John intended to accomplish i e confront the reader with the predicted Messiah Jesus and in so doing provide reasons to believe and through believing find the very promise of eternal life John calls this work his testimony like a witness pleading before a jury of his peers he lays out a selection of evidence He claims that he could easily have written volumes but these things he wrote so that the reader might believe The beauty of this book lies in the evidence John chooses to put forth the impact of the book slightly over 100 years old stems from the ability of Mr Peters to point out these things and then allow the testimony to speak for itself Over the last century many able men and women have undertaken to expound the Gospel of John The reader will not find a more plainly written account than what Mr Peters penned during the last years of his life

Sexuality and Islamic Spirituality in Early Malay Writings Maznah Mohamad,Syahirah Rasheed,2025-07-24 It is argued here that before the extensive formalization of sharia laws from the late nineteenth century onwards Islam was prominently influenced by elements of enchantment and mysticism mirrored in its textual portrayal of passionate and sexual relations This book s analysis is based on Malay manuscripts and texts about the body sex and sexuality These include religious guidebooks on sexual techniques and etiquette of which some are translated from the original Arabic or Persian but almost all of which have been adapted for local Malay relevance Also analyzed are collections of Malay erotic poetry from the sixteenth to nineteenth centuries and the only known female authored early twentieth century text on sex and women s sexual pleasure Over the centuries changing sexual norms and attitudes in the Malay world has disengaged sex and sexuality from being a crucial component of faith and spirituality gradually receding into the discreet margins of contemporary discourse on gender relations

The Testimony of Luke: 1907 Biblical study notes on the Gospel of Luke George N. H. Peters,2020-07-10 Once

described as the most exhaustive treatise on the Kingdom of God ever written the late Rev George N H Peters the author of The Theocratic Kingdom left many unpublished personal bible studies These recently discovered handwritten documents are now being meticulously transcribed and prepared for publication What makes these 100 year old studies unique is the straightforward grammatical viewpoint taken by Rev Peters towards interpretation that the language of the Bible does not require spiritualization or mysticism to be understood that such unjustified additions actually confuse and mislead the reader The application of these practical Rules of Interpretation as seen in the recently published Testimony of Jesus and Testimony of John gives the Gospel of Luke a clear fresh new voice given from the viewpoint of an contemporary Man who was neither an Apostle or Disciple of the Lord during his earthly ministry The Rev Peters clearly exposes the simple interconnected design of the book a testimony to the true identity of Jesus as the covenanted and predicted Messiah The Study focuses ONLY on the unique accounts of Luke not contained in the other three Gospels Every instance in each chapter of Luke s testimony confronts the reader with this most important distinction By the end of Luke s testimony the evidence is so overwhelming the distinctions so clear that only one realization remains the reason Luke wrote the book in the first place that All of the past present future Biblical prophecies are to be fulfilled in the person of this Messiah ONLY the Messiah has the God given authority and supernatural power to succeed in these appointed tasks and most importantly that Jesus and the Messiah are one and the same person In the plainest manner possible then Luke spreads within the grasp of the reader the heart and soul of the Bible the past and future hopes of mankind in this one simple truth Luke like Jesus would ask Believest thou this

Power and Control in the Imperial Valley Benny J Andrés,2014-11-22 Power and Control in the Imperial Valley examines the evolution of irrigated farming in the Imperial Mexicali Valley an arid desert straddling the California Baja California border Bisected by the international boundary line the valley drew American investors determined to harness the nearby Colorado River to irrigate a million acres on both sides of the border The conquest of the environment was a central theme in the history of the valley Colonization in the valley began with the construction of a sixty mile aqueduct from the Colorado River in California through Mexico Initially Mexico held authority over water delivery until settlers persuaded Congress to construct the All American Canal Control over land and water formed the basis of commercial agriculture and in turn enabled growers to use the state to procure inexpensive plentiful immigrant workers **Guide to Manuscript**
