Opening Heaven's Door Patricia Pearson, 2015-05-19 Nearing Death Awareness is a phenomenon rarely discussed by those who have experienced it and often dismissed by our culture because it defies science or logic Yet roughly half of bereaved people as well as nurses and others who constantly observe the dying have stories of coincidental visions at the exact moment of a loved one's death comforting visits from a departed friend in an hour of need and observations of the uncanny precision with which the dying predict their own deaths even when they appear to the trained eye to be on the brink of recovery These surprisingly common occurrences point toward a larger spiritual reality and the reality of life or something else after death They also have the power to console and comfort us and to transform our understanding of mortality Prompted by her own family's experiences surrounding the deaths of her father and sister journalist Patricia Pearson examines the scientific and anecdotal evidence to challenge current assumptions regarding what we know and what we are still unable to explain about what happens to us at the threshold of death Adapted from publisher description [Poems and Pictures](#) Poems, 1860 *Heaven's Banquet* Miriam Kasin Hospodar, 2001-10-01 Written with the support of the Maharishi Ayur Veda Institute this comprehensive cookbook shows how to incorporate the timeless principles of Ayurveda into the twenty first century kitchen A result of Miriam Kasin Hospodar's twenty year culinary journey Heaven's Banquet draws from a rich palette of international cuisines and shows how to match your diet to your mind body type for maximum health and well being The more than 700 recipes included here range from Thai Corn Fritters and Asian Cajun Eggplant Gumbo to West African Avocado Mousse and Mocha Spice Cake with Coffee Cream Frosting Readers will discover the most effective methods of preparing food the benefits of eating seasonally for individual types and how to create a diet for the entire family There are special sections on how to lose weight and control sugar sensitivity a questionnaire to help determine mind body type and essential ingredients for a well stocked Ayurvedic kitchen Fully illustrated and written for everyone from the beginner cook to the experienced chef Heaven's Banquet shows how to use food to tap into your body's intelligence and create lifelong health **Heaven's Door** Michael Knaggs, 2014-11-28 The events of these past few months can be likened to the destabilising of a mountain top creating a political and social avalanche of awesome overwhelming power As it cascades unstoppable in its devastating surge it now seems certain that everything in its path will be either swept along with it or buried irretrievably beneath The public demand for radical change in law and order in the wake of a catalytic event on a tough East London estate featured in Catalyst the first book in the Hotel St Kilda Trilogy Now with the second installment Heaven's Door we rejoin the story as the new government who swept to power off the back of the public's appetite for reform start to assert their control The new measures for addressing street crime include lifetime banishment for worst offenders a popular development which receives widespread support and which Tom Brown the Home Secretary decides to extend to cover other serious crimes Although he meets strong opposition to this change he steadfastly pushes it through Then at the

zenith of his political achievement and just when he seems reconciled with his family his decision backfires His private and political lives collide dramatically and Tom is faced with a devastating choice which either way will lead to personal tragedy Meanwhile Detective Inspector Jo Cottrell and a former colleague David Gerrard begin looking into the circumstances that led to this situation and uncover unexpected liaisons which raise a number of questions [Heaven's Prey](#) Janet
