The King Is Coming B. G. Patterson,2010-12-21 Jesus the Christ is the only person in the history of the world whose life was completely foretold from conception to his death on the cross and resurrection This book was compiled and illustrated for parents grandparents and foster parents to teach the children for Sunday schools jail ministries and home Bible studies It was written for both the believer and non believer *The Life of Jesus* Brian Simmons,2018-09-04 The Life of Jesus is the biographical account of Jesus supernatural birth extraordinary life unjust death confirmed resurrection and promised return to earth The text from the four Gospels Matthew Mark Luke and John in The Passion Translation is harmonized into a singular narrative and presented chronologically Special features include beautiful interior with the words

of Jesus in redreader s edition single column format without verse numberscontemporary easy to read Bible text fontsubject headings that introduce sections of the Bible text and its source in the Gospelsexpanded text for the richest presentation of duplicate Gospel accounts Jesus has affected this world like no other in history His life and the work of his Spirit invites seekers encourages saints and challenges skeptics Experience God s fiery heart of love through this heart level translation and harmonization of the Gospels Beware of False Religions & Pagan Traditions Part 3 Helene Fulton,2015-01-11 There are only two roads one leads to heaven and one leads to hell This is a spiritual fact without change or compromise there is no middle road and no chance to sit on the fence There are numerous false religions operating in the world today falsely broadcasting themselves as truth or as God s truth for that matter These religions may on the contrary be the foundation of lifelong poverty family breakdown mental derangement physical illness or varying manifestations of bizarre behavior in the lives of people These individuals have either turned their back on the true God completely or by their actions have allowed some of these pagan and false religious practises to creep into there every day lives By clinging to these pagan traditions we inadvertently give Satan a foothold in our lives In these books these false religions have been measured up against the word wisdom and knowledge of God The word of God says that His word is like fire and is a hammer that breaks rocks into pieces

The Anointed One Ramin Pourfarzib PhD,2022-04-17 Why do people reject Jesus as their Messiah There are many reasons a lack of understanding of the Bible belief that the Messiah has not come yet but will come the idea that the New Testament was fabricated or belief that humans do not need salvation No matter the reasons for rejecting or accepting Jesus it is vital to know the facts The Anointed One examines ten common objections given in response to the fulfillment of the messianic prophecies through Jesus Christ and then provides biblical and historical evidence to address these issues Some of these objections include the following The New Testament was corrupted over time There is no mention of Jesus in the Old Testament Jesus did not fulfill the messianic prophecies Jesus was a false prophet Jesus along with His disciples fabricated the scriptures in the New Testament In contradicting these points this study presents intelligent honest fair and direct responses to these belief systems using the Hebrew scriptures and the Christian Bible It cites a significant amount of scripture and features testimonies from Jewish rabbis and individuals who have accepted Jesus as their Messiah Offering solid evidence for the case that the messianic prophecies were fulfilled through Jesus the Anointed One this study invites you on a journey to pursue and seek the truth *The Virgin Birth Myth* Gerald Sigal,2013-02-19 The author of the Gospel of Matthew sought to portray alleged events in the life of Jesus as fulfillments of biblical passages Ample evidence has shown that there is no validity to his claims Lukes author merely states that a virginal conception took place Both present a story their readers can relate to from the familiar Hellenistic worldview a god impregnates a virgin thereby sending his hybrid son into the world to do a certain task Matthew and Luke are not the originators of the core belief that a virginal conception took place According to the Gospels Mary conceived as a divinely impregnated virgin betrothed to a Davidic descendant named

Joseph If there was no biological relationship between Joseph and the child Mary bore the story presented is not pertinent to the claim that Jesus is the Davidic Messiah on the basis of Joseph's lineage That Matthew and Luke solely through Joseph trace Jesus lineage in two variant forms becomes a meaningless exercise As it became clear that attempts to connect Jesus to David through Joseph were futile efforts were made to make the connection through Mary by claiming one or the other genealogy was really hers It is to no avail This too has failed What most Christians do now is live in a theological state of denial maintaining that there are no real problems only unbelievers quibbling over minor points Alas What else can Christian believers do but hide their heads in a theological sand box and blame quibblers Africa Study Bible, NLT John Jusu, 2017

Muhammad Is Not the Father of Any of Your Men David S. Powers, 2011-06-03 The Islamic claim to supersede Judaism and Christianity is embodied in the theological assertion that the office of prophecy is hereditary but that the line of descent ends with Muhammad who is the seal or last of the prophets While Muhammad had no natural sons who reached the age of maturity he is said to have adopted a man named Zayd and mutual rights of inheritance were created between the two Zayd b Muhammad also known as the Beloved of the Messenger of God was the first adult male to become a Muslim and the only Muslim apart from Muhammad to be named in the Qur'an But if prophecy is hereditary and Muhammad has a son David Powers argues then he might not be the Last Prophet Conversely if he is the Last Prophet he cannot have a son In *Muhammad Is Not the Father of Any of Your Men* Powers contends that a series of radical moves were made in the first two centuries of Islamic history to ensure Muhammad's position as the Last Prophet He focuses on narrative accounts of Muhammad's repudiation of Zayd of his marriage to Zayd's former wife and of Zayd's martyrdom in battle against the Byzantines Powers argues that theological imperatives drove changes in the historical record and led to the abolition or

reform of key legal institutions In what is likely to be the most controversial aspect of his book he offers compelling physical evidence that the text of the Qur'an itself was altered
