

## Federal Government 2305 – LIVE CLASS

### Test 1 – Chapters 1-4

#### Fall 2023

**Instructions:** This test is open-book but is an individual exercise. You may not work with any other student or individual to complete this test. Please type your answers to the questions, save it as a Word document, and turn it in online under the Test 1 Module. Please communicate with me if you have any questions or issues and I am happy to help so you fully understand these issues.

Each test question is worth equal points. Each answer should be at least one paragraph long (6-8 sentences). Please proofread your responses and make sure you use complete sentence and proofread. Remember that if I am asking for you to form an opinion that I never grade you on your opinion (the courts may be differing in their interpretation and ultimate opinion) – you are graded on your spotting the issues, showing both sides, and reaching a conclusion. If you need help please let me know!

#### Chapter 1 – American Government and Civic Engagement

1. In class we discussed the four major purposes of government. What are they, which is the most important to you, and why?

ANSWER:

2. What are the ways that Americans can influence their government and become engaged in government? AND what factors affect people's willingness to become engaged in government?

ANSWER:

3. In class we discussed the government of the United States and contrasted it with other types of governments. What is a democracy? After you define a democracy and give characteristics of a democracy, pick one other type of government we discussed and contrast it with a democracy (aristocracy, theocracy, totalitarianism, or communism).

ANSWER:

#### Chapter 2 – The Constitution and its Origins

4. It is important to understand why the Articles of Confederation failed. Historians will tell you that history repeats itself. There are many countries in the world today that are undergoing the difficult process of democratization – trying to transition to become a democracy. Many of these countries will try things like we tried in the Articles of Confederation and ultimately fail. So I want you to fully understand why the Articles of Confederation failed so you will be able to identify these issues when you see other countries repeat what we did many years ago. Fully explain why the Articles of Confederation failed.
