## **Federalist Paper 2nd Amendment:**

*The Federalist Papers* Kyle Scott, 2013-02-14 The Federalist Papers constitute a key document in the understanding of the American government Written by John Jay James Madison and Alexander Hamilton these 85 texts were published between 1787 and 1788 to convince the state of New York to ratify the Constitution Today the Papers are studied in courses on American government American political thought and constitutional law However the size and organization of the full text notwithstanding its complex political concepts and context make it difficult for students to apprehend The Reader's Guide will be a key tool to help them understand the issues at hand and the significance of the Papers then and now Organized around key issues such as the branches of the government the utility of the Union or skepticism of a national regime the work will walk the reader through the 85 Papers providing them with the needed intellectual and historical contexts Designed to supplement the reading of The Federalist Papers the guide will help elucidate not only their contents but also their importance and contemporary relevance

*The Founders' Second Amendment* Stephen P. Halbrook, 2019-01-15 Stephen P. Halbrook's *The Founders' Second Amendment* is the first book length account of the origins of the Second Amendment based on the Founders own statements as found in newspapers correspondence debates and resolutions Mr Halbrook investigates the period from 1768 to 1826 from the last years of British rule and the American Revolution through to the adoption of the Constitution and the Bill of Rights and the passing of the Founders generation His book offers the most comprehensive analysis of the arguments behind the drafting and adoption of the Second Amendment and the intentions of the men who created it

*Analysis of the Second Amendment & the Crisis of Gun Violence: an Essay* Tim I. Peace, 2018-03-01 THE SECOND IT WAS AMENDED IN 1791 Thomas Jefferson as Secretary of State certified the Bill of Rights But what were the events that culminated into that second it was incorporated into the constitution In other words what were the prevailing thoughts of that epoch that lead to the enactment of a law as contentious as the Second Amendment And furthermore what is the greater implication of this The then embryo nation was conceived in an era of vociferous noises of what it meant for a man to be free This movement is a peculiar one in the Enlightenment era However must we bear and keep arms to enjoy the liberties a liberal society has to offer At the heart of this book is the examination of the ideals of what rights are and the justified efforts to secure them Since the days of Socrates these have been debated Notwithstanding that was eons ago The most important element of all rights enumerated by law or intrinsically endowed is that one mans right must not encroach on anothers rights are not a zero sum game Therefore leaving the Enlightenment time behind and the classical era of Athens philosophy we must now be ready to challenge old assumptions while learning from them and establishing fitting ethos for this generation

A Perspective on How Our Government Was Built And Some Needed Changes Darrel A. Nash, 2018-05-01 A Perspective on How Our Government Was Built And Some Needed Changes By Darrel A Nash What do we mean by we the people Who are the people Who claims authority to speak for the people How seriously do we take the words of our grand

proclamations in the Declaration of Independence the preamble to the US Constitution the Gettysburg Address and the Pledge of Allegiance These are the questions that Darrel A Nash pursues in this book He finds a large mixture of conflicting answers as he explores the founding documents and later initiatives to build our democratic republic The struggles for answers have continued throughout our history Part Two records the beginning of this inquiry Nash wanted to find the bases for the First Second and Tenth Amendments to the Constitution To do this he reviewed the Federalist Papers which are purported to form the intellectual basis for the Constitution He found several of the arguments less than convincing But before the reader can see why Nash made his conclusions in Part Two Part One is needed to set the stage This lays out how only a small part of the population was represented and participated in creating the Constitution What might the Constitution be if all residents of the US had been represented in its creation Part Three goes into the Federalist Papers in more depth It shows how a number of political forces have worked and are working today to influence how we as a nation interpret the Constitution and access the promises of the Founders This Part ends with changes needed to proceed with creating a more perfect union a nation that more fully lives up to our grand proclamations

H. Charles,2021-10-07 A leader more focused on his legacy than meeting the demands of his office will fail in both This review of Barack Obama s legacy as the forty fourth president of the United States is no hymn of praise Those who support him and believe he has left an admirable legacy will sharply disagree and may even say it s motivated by prejudice and overly critical They are of course entitled to their opinions But having voted twice for his presidency in 2008 and 2012 that is not an assessment with which H H Charles can agree The impetus for undertaking this chronicle of Obama s legacy starts with the presidency of George W Bush the president who is first and foremost responsible for all the bloodshed genocide and crimes against humanity that plagues the Middle East to this day and which continues unabated into the indefinite future

**Social Problems in a Free Society** Myles J. Kelleher,2004-09-02 The future of the sociologist's profession is jeopardized by an ongoing trend toward the politicization of sociology and the radicalization of social problems This book calls for the rethinking of the culture of social political and economic liberty to create a resurgence of a sociological agenda Social Problems in a Free Society offers an original perspective on social problems such as violations of the principles of individual rights and the free market This book is a vision for reinvigorating the discipline in a fashion undreamt of within the wearisome strains of today's radical social problems theory

**Gun Politics in America** Harry L. Wilson,2025 A two volume collection of the most essential primary sources for understanding the history and evolution of gun rights and gun control in the USA from the colonial era to the present

**Saving the Electoral College** Robert M. Hardaway,2019-08-21 The 2016 election caused many pundits and citizens alike to decry the Electoral College This book explains the dangerous and unconstitutional implications of the National Popular Vote Bill which is quietly passing in state houses across the nation Ever since the Founding Fathers created the Electoral College Congress has tried to overturn it The latest attempt is taking place not in Congress but in state legislatures around the country where a well financed campaign by a private California group calling itself National Popular Vote NPV is proposing an interstate compact to circumvent the process for amending

the U S Constitution If adopted by states representing a majority of electoral votes the signatory states would bind themselves to ignore the popular votes within their respective states and instead allocate their electoral votes to the candidate whom the media proclaimed to be the national popular vote winner In this new history of the Electoral College law professor Robert M Hardaway lays bare the constitutional loopholes that have allowed this movement to succeed in states representing approximately half the electoral votes necessary to purportedly bind those states to ignore the popular vote of the people within their respective states The presentation of the information in this book to state legislatures considering the compact resulted in complete reversal of preconceived perceptions about how presidential elections should be conducted

**Firearms Legislation: (New York) July 25** United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime,1975      Federal Firearms Act United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate Juvenile Delinquency,1965 Considers S 1592 and related S 14 S 1180 and S 1965 to propose national gun registration the prohibition of firearm imports and restrictions on mail order gun sales as a means to lower crime rates and to control the availability of weapons for illegal use      *The Triumph of the Gun-Rights Argument* Harry L. Wilson,2015-01-16 Taking the bold position that the battle over gun control has already been won by the pro gun rights faction this book will be equally informative to those immersed in the debate and those new to it Gun control evokes passions equaled by few other subjects As this book shows the debate over firearms begins with cultural values and extends into questions of constitutional rights public health and safety and politics Examining its subject through the prism of the Sandy Hook shootings the book looks at the influence of elected officials the courts interest groups and average citizens in shaping gun control laws It shares poll results detailing what the public really thinks about guns and why and it explains the various components of gun policy and policymaking to show how they come together to form the current reality While small skirmishes about the right to bear arms will continue for some time the author a self described gun owning academic asserts that changing public opinion Supreme Court decisions dominance of gun rights interest groups the Democratic Party s virtual withdrawal from the discussion and a declining violent crime rate have formed a perfect storm resulting in the effective end of the gun control debate This assertion and the thoughtful examination that leads to it will be of equal interest to those engaged in the argument and those researching it for the first time      **Hearings, 89th Congress, 1965-66, V. 12** United States.
