The Leap of Your Life Tommy Baker, 2019-03-26 There's a bold decision in your life you've been waiting to make and every day passing by is a reminder of what hasn't happened Conveniently tucked in a box labeled someday the fear of the unknown has taken a grip on your life and put your dreams on hold Until now Whether your leap is quitting the soul sucking job and starting your own business taking a bold chance on love or finally going all in on your dreams The Leap of Your Life is the ticket to get you there All while having the time of your life and ensuring you don't wake up years down the line with a sinking feeling of regret Author and high performance coach Tommy Baker has helped

thousands of everyday people identify and take their leap step into courage and create a life they can't wait to wake up for. After interviewing 250 of the world's most powerful entrepreneurs, thought leaders, experts, spiritual teachers, and athletes, he discovered a common theme: They all took a leap, even if they were full of fear, and it radically transformed their experience of life. If you're ready to re-define risk and stop playing small, step into the boldest version of yourself. Give yourself permission to take a chance. Live the Hero's Journey of your life story. Eradicate regret and what could have been, then look no further and order *The Leap Of Your Life* now.

Beyond Temptation Audrey Boss, Sophie Boss, 2012-09-06. In *Beyond Temptation*, Sophie and Audrey Boss offer a radical alternative to the tried and tested methods used to combat overeating, which either encourage women to rely on willpower alone or legitimise overeating by providing lists of 'free' foods on which women are actively encouraged to binge. This book doesn't rely on NLP, CBT, or life coaching techniques but instead draws on the authors' own experiences as two overweight and unhappy overeaters and their ten years of experience working with thousands of failed dieters in the *Beyond Chocolate* workshops and the successful techniques used in their newly established *Stop Overeating* workshops to offer women a practical, sustainable approach to stopping overeating and achieving long-term weight loss.
