Based on exclusive access to Jackson's inner circle, *Untouchable* is an intimate, unflinching portrait of the man who continues to reign as the King of Pop. A dishy Michael Jackson biography that makes the exhaustively covered King of Pop fascinating all over again. People *A Bridge Over Troubled Water* Gila Ofer, 2018-03-26 This book is a compilation of papers by different authors among them Vamik Volkan, Robi Friedman, John Schlapobersky, Haim Weinberg and Michael Bucholz with a foreword by Earl Hopper and an introduction by Gila Ofer, both editor and contributor. While most of the writers are group analysts working in the tradition of Foulkes, several others come from different though complementary perspectives enriching the theoretical basis of the research. So there are perspectives inter alia from Bion and Cortesao. The writers represent different countries and cultures focusing on problems that are endemic to their own localities that yet have a wider and deeper resonance. We are introduced to conflict and division in Bedouin society, the Roma people living in Greece, citizens' reflective communities in Serbia, continuing territorial and ideological differences in Israel and the middle east and tensions of difference in the psychoanalytic community itself.

Defensive Measures Lee Upton, 2005 Much of our strongest poetry that learned its lessons from early modernism lives by its defensive measures that is by means of reversing inverting and challenging in covert ways a dominant perceptual mode Defensive Measures explores strategies by which poets claim their distinctiveness and argues that poetry is the one literary form that most insistently demands a defense It demands a defense it would seem because it is perpetually in crisis not only in regard to its utility and its aesthetic appeal or the vigor of its renunciation of such an appeal but in regard to its generic existence Upton defines a generative conception of defense and examines in a new light the poetry of Lorine Niedecker Elizabeth Bishop Louise Gluck and Anne Carson In writing about Bishop Upton puts this well regarded poet in a new

framework aligning her work with that of three poets whose aesthetics might be viewed as antithetical to her own
