Dread and Hope Joshua Wise,2022-02-03 Christianity was born in the midst of great expectation and fear about the world's future The existing Jewish paradigm of the coming Messiah his antithesis and the initiation of the coming age set the stage for Christian beliefs about the end of the current age However the unexpected death and resurrection of Jesus caused that paradigm to be reformed within the burgeoning Christian faith reshaping hopes and reworking old patterns Dread and Hope explores the ways in which those old paradigms were challenged by Jesus's death and resurrection how the resulting eschatological landscape was understood within Christianity and how modern popular culture has consumed and modified various components of Christian Hope Joshua Wise examines how the central Christian eschatological themes such as the Antichrist the Great Persecution Heaven and Hell have both been transformed and preserved in novels television films and video games Drawing on works such as 1984 Diablo The Stand What Dreams May Come and the Fallout series Dread and Hope considers how the human fears and desires shaped by Christian beliefs are expressed in popular culture **The Lighter Side of the End of the World** Mark LaFollette,2012-11-12 If we treat Bible prophecy as a code to crack we are likely to end up in the wrong place When Jesus tells us about his return Hes talking to us about life Hes correcting encouraging and preparing us for what's coming next Whenever Jesus and his apostles teach about the future their goal is to empower us for life today The Lighter Side of the End of the World is an engaging walk through the full scope of the Bibles teaching on the End Times that will encourage you in your daily life To learn more go to www.knowthebiblebetter.com
