

# OFFENSE vs DEFENSE

## QUARTERBACK

This player receives the snap from the center and initiates the play either through a handoff or pass. The quarterback cannot directly run with the ball across the line of scrimmage without first handing the ball off to a teammate and then receiving a second handoff back or receiving a pass.

Q

## CENTER

This player's main responsibility is to snap the ball to begin the play, a critical skill at all levels of football. Once the center has snapped the football to the QB – either directly or from a pistol or shotgun formation – they are eligible to go out for a pass and catch the ball.

C

## WIDE RECEIVER/BACK

Any player who does not initiate the snap nor receive the snap is considered an eligible receiver/back and can either receive a handoff or catch a pass.

## SAFETY

The Safety is the defensive QB, especially in flag football. Their role is to lead the defensive team and to cover anyone who get loose. If a wide receiver is getting open deep, he/she covers and helps out.

S

S

## RUSHER

Any player who rushes the quarterback must be a minimum of seven yards from the line of scrimmage at the snap. For teams that do not include yard lines, officials will mark this seven-yard zone before every play.

R

## DEFENSIVE BACK

The defensive backs play the short pass first and the run to the outside. Opposite to how (S) Safeties play (i.e. pass first then run), the defensive backs guard against the run first then pass.
