werewolf a man that turns into this creature once a month during the full moon Instead of shying away from it she embraced it and even asked him to change her into one of them He was reluctant at first but eventually her persistence paid off and they became more than just a couple they became a family They had no idea that a man was watching them as they changed for the first time showing off her baby bump and moving into the woods for her first hunt Josh has been very secretive about his past and even family life Sal believes that he is hiding something from her and has taken it upon herself to dig into his family tree Josh on the other hand feels that the past should be left where it is and never wants to speak of his family or of the past again Unfortunately these things tend to raise their ugly head at the wrong moments His love for her will be tested when she betrays him and brings to their doorstep a long lost family member It will be a sister named Sheila a woman that has been searching for her brother for a very long time It is a strained relationship between the two of them and even though Sal pries about their family neither one is willing to speak of it If she thought that becoming a werewolf was going to be her biggest obstacle she is about to find out that there is a lot more to Josh than just the change on the full moon *Full Moon* Rebecca York,2006 Together for the first time in one thrilling volume are Rebecca York s *Killing Moon* and *Edge of the Moon* two of her highly acclaimed werewolf novels full of suspense intrigue and passionate hunger *Killing Moon* A P I with a preternatural talent for tracking finds his prey a beautiful genetic researcher who may be his only hope for a future *Edge of the Moon* A police detective and a woman who files a missing persons report become the pawns of an unholy serial killer in a game of deadly attraction *Madness By The Light Of The Moon* Caralyn Knight,2012-09-28 Jeff is a werewolf but prefers to stay in his animal form He was never really good at changing at will so he just stayed primal While wandering around in his forest one day he catches a scent of female perfume He finds the source and she is beautiful and stark naked It took every bit of restraint for him not to ravage her right then and there So he just watched When she noticed him and beckoned him to come out he did and played into her hand as the scared animal When he couldn t take any more he morphed into his human form What Jeff didn t know would surprise him in the best way possible This is an explicit erotic short story of approximately 4 900 words It contains graphic language and sexual themes It is meant only for adults who are interested in this type of material for viewing in jurisdictions where its sale and enjoyment does not violate any local laws *The Pack: Howling Lust (Werewolf Erotica)* Ashley Alberti,2013-09-20 When scientist Audrey undertakes a field study of the wolves in the nearby woods she very quickly realizes that the objects of her study are no ordinary wolves They can transform into lusty men in an instant and local women are lining up to have their turn at being pleased by the legendary werewolves Audrey tries to remain detached and objective but what will happen when the werewolves seek her out Will Audrey have her own turn with *The Pack* Warning This short story contains explicit sexual content and is for adults only *Claimed Before Dawn* Francis Ashe, Jasmine St Paul loves the bayou Ever since she was a little girl she comes here to escape daily life to have some time alone She s also heard tales of a strange sort of wolf prowling the swamps looking for victims Jasmine always thought they

were just silly tales meant to scare children until now When she hears feet crashing through the undergrowth behind her Jasmine runs but there s no hope of escape Trapped and surrounded under the light of the full moon she gives herself up to be CLAIMED BEFORE DAWN Warning This standalone 14500 word sizzling erotic tale features ultra masculine werewolves an ancient prophecy come true an extremely explicit and extremely rough four werewolf one woman gangbang penetration in all three holes deep throating and five mind blowing finishes If you choose to journey into the night with Jasmine you re sure to leave satisfied A taste of the passion within When I open my eyes he s standing above me towering over my helpless figure mouth still drawn in a noiseless snarl I try to breathe but my heart pounds so heavily that it takes real effort Sweat beads up on my forehead One drop spills down either cheek and a third runs down the line beside my nose and to my lips where I taste the salt Was that sweat or a tear Get a grip Jaz get a grip And then I feel him lower his head touching my chin with the fur on his Stiff and warm almost impossibly thick the monster s coat played a dangerous game along my jaw Any moment any second I think he s going to snap his jaws open and close them again but this time it ll be around my throat Fear boils up inside me a bitter soup with a foul aftertaste Again I clench my eyes and this time when the salt hits my lips I know its tears because they ve burned paths down my cheeks I hear him breathe So soft that it could be a leaf rattling in the wind a hundred feet away his nose fills with air and his chest rises until it touches mine and then shrinks again with his exhale A little tendril of hair has fallen down in front of my face the same one I pushed away a moment ago Each time his hot almost seductive breath slides across my skin the hairs in that bundle jitter in front of my eyes His mouth falls open I can see his teeth and the tip of his tongue Where the first wolf that approached me had long pointed sharp fangs this one s seem flatter wider but no less likely to rip me up One of his paws goes to my shoulder and pins me flat against the ground He s heavy and my bony shoulder pushing against the floor of the cave even with the padding I awoke on sends pains shooting down my arm Stop I beg You re hurting me Please My cries seem to get his attention at least for a moment and he looks at me cocking his head slightly to one side apparently as fascinated about me as I am about him My squirming and writhing seems to just get him more interested in holding me still Those warm gold flecked eyes watch me for another moment and then he puts his other paw on my free shoulder making absolutely sure I won t move I try to kick but his body is so long and massive as he crouches above me that my foot has maybe an inch to travel before it bumps useless against him Let me up The wolf freezes as do the other two Let me up now I repeat in the best do what I say or else voice I can muster given the circumstances The one pinning my shoulders cocks his head the other way I can see behind his eyes that something s turning in his brain Either he s trying to figure out what I m saying or he s trying to figure out the best way to rip out my throat He lets out a whining sound a whimper almost And then the strangest thing happens his smell changes Just a little not so much it s very noticeable but it does Ever so slightly the feral wild scent of the beast becomes more man as though two natures war within his skin Or as though he s a man turned beast
