Banerjee,2022-10-13 This volume provides readers with a broad collection of theoretical computational and experimental methods to quantitatively study the properties of phase separate biomolecular condensates in diverse systems The chapters in this book cover topics such as theoretical and computational methods methods for in vitro characterization of biomolecular condensates and techniques that enable in cell characterization of biomolecular condensates Written in the highly successful Methods in Molecular Biology series format chapters include introduction to their respective topics lists of the necessary materials and reagents step by step readily reproducible laboratory protocols and expert tips on troubleshooting and avoiding known pitfalls Comprehensive and thorough Phase Separated Biomolecular Condensates Methods and Protocols is a valuable resource that helps researchers learn and use established methods to study both biophysical properties and biological functions of biomolecular condensates   **True South** Jon Else,2017-01-24 TRUE SOUTH does several things at once On one level it s a biography On another it s a lucid recap of many of the signal events of the civil rights movement A warm and intelligent book The New York Times No one is better suited to write this moving account of perhaps the greatest American documentary series ever made Else tells the story with the compassion and eloquence it deserves Adam Hochschild author of KING LEOPOLD S GHOST BURY THE CHAINS and TO END ALL WARS The inside story of Eyes on the Prize one of the most important and influential TV shows in history Published on the 30th anniversary of the initial broadcast which reached 100 million viewers Henry Hampton s 1987 landmark multipart television series Eyes on the Prize an eloquent plainspoken chronicle of the civil rights movement is now the classic narrative of that history Before Hampton the movement s history had been written or filmed by whites and weighted heavily toward Dr King s telegenic leadership Eyes on the Prize told the story from the point of view of ordinary people inside the civil rights movement Hampton shifted the focus from victimization to strength from white saviors to black courage He recovered and permanently fixed the images we now all remember but had been lost at the time Selma and Montgomery pickets and fire hoses ballot boxes and mass meetings Jon Else was Hampton s series producer and his moving book focuses on the tumultuous eighteen months in 1985 and 1986 when Eyes on the Prize was finally created It s a point where many wires cross the new telling of African American history the complex mechanics of documentary making the rise of social justice film and the politics of television And because Else like Hampton and many of the key staffers was himself a veteran of the movement his book braids together battle tales from their own experiences as civil rights workers in the south in the 1960s Hampton was not afraid to show the movement s raw realities conflicts between secular and religious leaders the shift

toward black power and armed black resistance in the face of savage white violence It is all on the screen and the fight to get it all into the films was at times as ferocious as the history being depicted Henry Hampton utterly changed the way social history is told taught and remembered today   **Pumpers : Workhorse Fire Engines** Larry Shapiro,1999   **All that You Can't Leave Behind** Soumya Bhattacharya,2009 If one were to do a nationwide poll of Indians born after Independence and ask which is the one date they remember most the answer may well be 25 June 1983 the date on which India won the cricket World Cup It is often said that cricket in India is like a religion nothing could be more misleading Religion has scarred the nation more deeply than anything else Cricket is the balm that heals In our collective consciousness there is nothing quite like cricket As the most visible expression of national identity as an obsession or a dream cricket is the only thing that possibly unites a country as diverse and as contradiction ridden as India In this brilliant book Soumya Bhattacharya shows how we have made this game our own given it our own colour our own customs our own codes And how cricket in turn has come to permeate every aspect of our public life from popular culture to politics so that when a game is on the rest of life happens strictly between overs   **Stephen J. Cannell Television Productions** Jon Abbott,2009-09-12 The face of 1980s television was shaped by a man who stayed behind the scenes Stephen Cannell s reluctant white knights put upon private eye James Rockford World War II fly boys the Black Sheep Squadron hapless superhero Ralph Hinckley fugitive mercenaries the A Team and maverick cop Hunter traversed the television landscape from the 1970s to the 1990s Cannell changed the face of the action adventure genre updating the crime show format with a hybrid of rebellious morality juvenile wit intelligent sarcasm and radical conservatism This book discusses in detail the programs of the writer producer and lists every episode of his award winning productions from the early 1970s to the early 90s The book features publicity photos and descriptions of unsold pilots   Boating ,1988-01   The American Encyclopaedic Dictionary ,1895
