

# 7 BODY LANGUAGE TIPS FOR YOUR INTERVIEWS

**Sit up straight and have good posture** - this shows that you're paying attention and are receptive to what's being said!

**Smile** - a warm, natural smile will make the interviewer feel more comfortable and help make you feel more at ease!

**A good handshake** - not so firm that you're crushing fingers, but not so limp it's like holding a wet fish!

**Make eye contact** - but not too much! This will help to convey confidence in yourself and shows your attentive when the interviewer is speaking!

**Maintain your focus** - non-verbal responses are a great way to show the interviewer they still have your attention - nodding, smiling etc. can show you're actively engaged!

**Have a strong exit** - smile, give them a firm handshake and thank them for their time. This is also the time to reiterate your interest in the position and hearing from them further!

**Practice makes perfect** - ask someone to run through a mock interview with you. Give them a list of things to look out for so you can improve for the real thing!
