**Your Chevy Truck: 1967-1972** Kevin Whipps, 2020-04-15 Learn to fully repair and restore Chevrolet's most popular truck in this long awaited new restoration guide When Chevy released its second generation C K pickup trucks dubbed the Action Line it was apparent that many changes over the previous generation had been employed Not only did the truck have a simpler more clean cut look but this was also the beginning of an era where modern creature comforts that we often take for granted started appearing into the good old Chevy workhorse Power steering power brakes more powerful engines a smoother riding coil rear suspension automatic transmissions and independent front suspension all led to what was the most drivable of any Chevy trucks to this point Back then and today this generation of Chevy truck is almost universally considered

the most popular Aftermarket parts availability and auction prices support that assertion In *How to Restore Your Chevy Truck 1967-1972* veteran author Kevin Whipps shows you how to inspect assess and accurately budget your restoration project You are then taken through each major portion of truck restoration including the engine suspension chassis bodywork paint brakes steering transmission driveline electrical system interior and more Each section shows practical real world repair and restoration in general and step by step formats After all of these years of hard use and exposure to harsh conditions most of these trucks are in need of some serious work Chevy GMC trucks are extremely popular as stock restorations fast street trucks and off road duty trucks But before you can build a specialty truck you need to have a solid reliable restored truck This book provides the invaluable information and step by step instruction to return these trucks to their original glory

**American Light Trucks and Utility Vehicles, 1967-1989** J. "Kelly" Flory, Jr., 2019-10-31 The truck's role in American society changed dramatically from the 1960s through the 1980s with the rise of off roaders the van craze of the 1970s and minivan revolution of the 1980s the popularization of the SUV as family car and the diversification of the pickup truck into multiple forms and sizes This comprehensive reference book follows the form of the author's popular volumes on American cars For each year it provides an industry overview and for each manufacturer an update on new models and other news followed by a wealth of data available powertrains popular options paint colors and more Finally each truck is detailed fully with specifications and measurements prices production figures standard equipment and more
